

## No. 8050 Equity

perches in length?

Ans. About 150 acres more or less.

7. Sub What does the line show on said plat lying east of said three mentioned lines represent?

Ans The lower square represents H. W. Wrenner's First addition to Brunswick and addition thereto; The smaller figure lying N. E. of this is H. W. Wrenner's Second addition to Brunswick; and the land around said figures on the North East and West side thereof represents land of Mrs. Wrenner, which has never been laid out into Lots.

8 Sub Where does the Ga. & Ohio Rail Road run with reference to the lands shown on said plat.

Ans It runs along the South margin of the whole plat as indicated in said plat by the letters B & O. R. R.

9th Sub Do you know when Mrs. Susan A. Wrenner died?

10 Ans. I did not. In the fall of either 1899 or 1900 and subsequently to your survey and plat of 1898 survey and plat the lots known as H. W. Wrenner First addition to Brunswick Complete with all extensions comprising 81 numbered lots.

Ans I did, on Nov. 6, 1897.

11. Sub Will you look at the plat now shown you and now filed with the Examiner as Exhibit P. E. W. No. 2. and state what the same is?

Ans That is the plat of H. W. Wrenner's First Addition to Brunswick Complete excluding 81 lots.

12 Sub are or are not the lots shown on said plat P. E. W. No. 2 included within the general outlines of the Plat P. E. W. No. 1?

13 Sub Those lands were embraced in the outlines shown on the Plat?

Ans The lands of Mrs. Susan A. Wrenner in her will refer to her farm, situated in Paterville Election District in Frederick County, Md. containing in all about 150 acres of land, what portion of the land shown on the Plat P. E. W. No. 1. was known as the farm of about 150 Acres?

Ans The land lying west of the aforementioned lines aggregating  $1\frac{3}{4}$  perches.

Ans I do not. at present
