

NO. 2951. Equity.

of the Said trust funds, from James Ferris and Alborah Ferris trustees to see the real estate of Joshua Ferris deed but your orator charges that without the knowledge or assent of your orator the said James Ferris and Alborah Ferris thereafter made and executed and delivered to the said John R. Mills in his own name and right a deed for the said land so paid for by your orator out of the trust funds aforesaid, and the said John R. Mills contrary to the intent and provisions of the said deed of trust, and interfering with execution of said trust by your orator received the same as will appear by reference to "Exhibit B" a true and Certified Copy of said deed filed herewith as part of this bill, and your orator avers that the land purported to be conveyed by said deed is the same land paid for by your orator out of the trust funds in your orator's hands.

And your orator further charges that he has required and demanded from the said John R. Mills that he the said John R. Mills should convey the said lands to your orator to hold to the said trust of the said deed of settlement and caused a deed to be prepared for the said purpose and presented the same to the said John R. Mills to be executed to your orator, but the said John R. Mills, declined and refused and still refuses, to do so, thereby interfering with and preventing your orator in the lawful execution of the said trust. The said prepared deed therewith filed marked "Exhibit C".

And your orator further states that the balance of said purchase money received from said Levi G. Barnes, to wit, the sum of Six Hundred and forty four dollars, was invested by your orator in private securities, the interest of which as received and collected by your orator your orator paid over to the said John R. Mills as required by said deed of trust.

And your orator further charges that the said John R. Mills, and Rachel B. Mills, as your orator is informed and believes, sold and conveyed without the assent of your orator, and delivered possession of one half acre of ground to a certain Sally Leeper a free negro woman of color at and for the sum of twenty five dollars, and received the purchase money which has never yet been paid to your orator by the said John R. & Rachel B. her wife, to the manifest interference
