

No. 8102. Equity.

I had made and an account of my infant daughter. It became necessary to file this petition in order to see the same. Exhibit No. 2. Filed in this case is a letter from Claude C. Morris agreeing to purchase said property for the sum of \$1800 which sum I believe represents, and is a fair value of said property - and believe it would be of advantage and interest of all the parties of interest to have said sale consummated and the property conveyed to the purchaser under the direction and guidance of the court.

The Property is now vacant and is depreciating in value and a speedy sale of the same seems to me to be very desirable to the Court.

Nothing more,
Jason Mullins.
