

NO 8158 Equity

Sworn, deposed and says—

My name is Norman Lanner I live Frederick County Md. and am 31 years of age. I know all the parties to this suit. The testimony of Raymond L. Frazier has been read to me, and I believe he has correctly described the parties to this suit. I believe the exhibits correctly describe the real estate of which her mother died seized and possessed. I do not believe, in fact it could be divided among the parties without loss and damage to their respective interests. In my opinion it is impossible of division, and is not susceptible of a division among the parties of interest and it would be of interest and advantage to all the parties of interest and especially the infant to have the property sold under a decree of Court the proceeds divided among the parties entitled thereto. This property is worth about \$7500.—
