

No. 8285 Equity.

a wood lot on Sugar Loaf Mountain.

I know William S. Cress. He died March 17th, 1908 intestate, seized and possessed of the real estate described in Exhibits Nos. 1 and 2, mentioned in this cause and I believe they properly describe the property mentioned in this cause. He left a widow and the children described in testimony given in this cause by Ulysses G. Hopper whose testimony I heard.

This farm mentioned would be worth after the subject to the mortgage and widows about \$200 - \$500.

I believe it would be to the interest and advantage of all the parties, especially the infants to have the property sold as there is no one to look after the infant interest in the farm to contract for them with a tenant or any one in their behalf.

To General Int.

Nothing More.

Samuel N. Schwartz.

Exhibits Nos. 1 and 2, filed as evidence.

No other witness being named or produced before me, I then at the request of the Sales for the plaintiffs, closed the depositions so taken by me, signed by the witness, and now return them to your Honorable Court this 30th day of March A.D. 1908 - at the City of Frederic, State of Maryland
Witness my hand, and seal.
