

No. 8373. Equity

& I. but that along the Fulle's road (Hagantown road) is bad. it is down, the posts are rotted off. I think.

14th.

When did you see it last,
Ans. In February of this year.

15th.

How many posts are rotted off.
Ans. I could not say.

16th.

Who was with you on that occasion
Ans. There wasn't any one.

17th.

You made no Physical examination.

Ans. No. Sir. I was not walking. I was in a trolley car.

Could you see all around the fields.
Ans. No. Sir.

19th.

When you say the fencing is bad you mean only that portion lying along where the Trolley runs.

Ans. Last fall I was up in Sept. and it is not very good along the Church Hill road.

That could be patched up and fixed.

20th.

Could that along the Hagantown Road be patched up too.

Ans. I would need new posts, and I think some new rails.

21st.

How long since has it been since you have seen the lower field along the Ellerton road?

Ans. Last fall I went by there often. I had fixed the fence.

22nd.

When did you make the repairs to this bottom field.
Ans. In the summer of 1906. But the back bottom me and M. L. Las. Groenike sometime last Summer.

23rd.

These repairs you made and those that might or ought to be made and have not are simply the result of natural wear and tear, and decay, are they not?

Ans. Yes. Sir. for a considerable length of time they did not get in that condition in four years.

24th.

And the condition of the property, and the fence are the result of the natural wear and tear and
