

## NO 8627 Equity.

portion thus next offered, at a point in the center of Upper Street Sixty-one (61) feet West, measured along the center line of said street from the intersection of the center lines of said Upper and Third Streets, and extending Westward along the center lines of Upper Street thirty-eight (38) feet three (3) inches, which give a frontage of thirty-nine (39) feet to the portion of said lot, when measured along the building line on Upper Street, and a depth of about eighty-nine (89) feet, measured from the center line of Upper Street, and offered this portion on which is located the bank building, his heirs and assigns, the right of ingress and egress over the alley way or passage between the two buildings, and offered with it the right of ingress and egress, over the alleyway or passage between the two buildings, and offered with it the right of ingress and egress to the purchaser of this portion of said lot, his heirs and assigns over a strip of ground three (3) feet in width at the extreme rear on the portion of said lot, on which is located the Bank building, leading from the parcel now offered to Third Street, and received for this portion of said lot this offering, a bid of \$4500.00, which bid your receivers removed in accordance with their advertisement of sale, 3rd. Your receivers then offered again the corner portion of said bank lot, as above described, on which is located said bank building, but without reserving any right of ingress and egress to the purchaser of the adjoining portion on which the frame building is located, over the strip of ground three (3) feet in width, at the extreme rear leading from the Western portion of said lot to Third Street, and received for this portion of said lot this offering, a bid of \$8000.00, which bid was removed, 4th. Your receivers then offered the Western portion of said bank lot as above described, on which said frame building is located, but without any right of ingress or egress to Third Street over the three (3) foot strip at the rear of the portion on which the bank building is located, and received for this portion of said lot this offering, a bid of \$4550.00 which bid was removed, 5th. Your receivers then announced that they would sell the two portions of said bank lot, as above described, without any reservation of a right of ingress and egress over the three (3) foot strip at the rear end of the portion on which
