

Harry G. Tritapoe, a witness of lawful age, having first been duly sworn, deposes and says--

My name is Harry G. Tritapoe, I am 31 years of age and reside in Frederick Md. I am engaged in the real estate business and have been so engaged for eight years. I know the real estate mentioned and described in this proceeding. These tracts of land all lie adjoining each other and constitute a small farm worth about \$2,000.

This place could not be divided among the parties entitled to interest in it without material loss and injury to their interests, and it would be to the advantage of all the heirs interested and especially the infants that this property should be sold by a decree of the Court. It cannot be divided at all among the parties, because the buildings all set together and are worth more than the farm.

To gen. Int.

Ans. Nothing also.

No other witnesses being named or produced before me and no further time being required for the examination of witnesses or for the taking of further depositions so taken by me and now return the same to Your Honorable Court this 29th day of August 1914 at the City of Frederick, State of Maryland.
