My name is John H. Bowers. I reside in Brunswick, Frederick County, Maryland, and am Cashier of the Peoples' National Bank. I know the parties to this cause and I have known them well for about ten years. Cecil E. Wilklow died on or about June 1st, 1907, at Brunswick, Frederick County, Maryland. He left no Will that I ever heard of, and left Sarah E. Wilklow as his surviving widow, and the two children Helen M. Wilklow and Reginald E. Wilklow as his only heirs at law. At the time of his death Mr. Wilklow was seized and possessed of a house and lot in Brunswick, Frederick County, Maryland, described in the certified deed now shown me and marked "Exhibit A", This property is on the north side of Railroad Street, the improvements consists of a two story frame dwelling house, which at present is vacant and need of repairs. The paper in the house is in bad condition and needs repapering, the house also needs painting on the outside and spouting and one of the chimneys of this house cannot be used until it is repaired, the fencing is badly in need of repair, These repairs would cost at least Two Hundred Dollars. Mrs. Wilklow lives about six miles from Brunswick, and cannot give the property the proper attention necessary to preserve property in Brunswick. The property is a single lot and single dwelling house and cannot be divided amongst the parties entitled to interest
