

pigs; and the place had a wire fence he put around there which cost him \$100.00 for the fence.

(Counsel for the Plaintiff excepts to such portion of the foregoing answer that relates to any conversation witness had with any one else.

5. Do you know of any other personal property besides what you stated? (Excepted to)
- A. I didn't see it that day. I knew he was the owner of a horse and wagon but I didn't see it, I didn't have time to see it.
6. Are you familiar with the value of potatoes?
- A. Yes sir.
7. Have you been in the business of dealing in such articles?
- A. Yes sir, spent two months of each year until the last six or seven years in that line; been born and raised in the huckstering business.
8. What, in your opinion, was the value of those potatoes at that time? (Excepted to)
- A. He told me about those potatoes; he told me he bought a snap on this lot of potatoes; I don't just remember whether he told me he paid sixty or seventy six five cents a bushel.
9. What, in your opinion, would be the value of those potatoes; as a dealer what would they be worth to you at that time? (Excepted to)
- A. I dealt in potatoes in the month of July and August which you know there is a change in the price in November. Potatoes at that time were considered to be a high price potato, eighty or ninety cents per bushel, oftentimes up to \$1.10 for them.
10. Do you know anything about the payment of the funeral expenses of your brother by your mother?
- A. Yes sir.
11. Tell us what you know about it? (Excepted to)
- A. I have seen the receipt for it was but but I wasn't there when she paid it.

(CROSS EXAMINATION)

- 1x. You stated that in your opinion there were sixty bushels of potatoes and a quantity of canned goods, perhaps \$25.00 worth, in that store.
- A. Yes sir, not only canned goods but other articles in the store.
- 2x. How would you estimate the quantity either of potatoes or canned goods when you only looked, as you admit, through the window from the street and the window was dirty?
- A. I consider I have got good eyesight and they weren't over fifteen feet from me; I consider I have a wonderful eyesight.
- 3x. Were the potatoes in a pile?
- A. In bags.
- 4x. Could you tell how many bags you saw?
- A. About forty or fifty-five bags of potatoes, in Scotch sacks.
- 5x. Did you count the sacks?
- A. No sir, I didn't; I could estimate.
- 6x. Were you lying on the floor or behind the counter?
- A. There was one course lying on the floor and the other were on top of them.
- 7x. Do you know the condition of those potatoes?
- A. No sir, I do not.
- 8x. Do you know the kind and character of canned goods you stated you saw on the shelves?
- A. Yes sir, I canned them.
- 9x. What were they?
- A. Tomatoes and pears.
- 10x. How many cans were on the shelves?
- A. I didn't stay long enough to count them but I know what it costs to stock a store, I have had dealings in a store, my mother here has always run a store up until a few years.
- To the General Interrogatory.
- A. I don't know as I can.
