The joint and several answer of Richard P. Ross, Blanche S. Ross, his wife, George J. Ross and Helen S. Ross, his wife, to the Bill of Complaint filed against them in this cause.

Answering the Bill of Complaint filed against them in this cause your respondents say;

1st. That they admit that Charles W. Ross, Jr., late a resident of Frederick County, Maryland, departed this life seized and possessed of the lots of ground and premises as set forth in the first paragraph of said Bill of Complaint, and that the said Charles W. Ross, Jr, by his last will and testament, duly probated, admitted to record and recorded, disposed of the said lots of ground and premises as is set forth in the second paragraph of said Bill of Complaint, and that they admit that Theresa Kunkle Ross, one of the complainants, is still the widow of Charles W. Ross, Jr., and That the said Charles Worthington Ross, III, the other of the complainants, is the son of Charles W. Ross Jr, and is now unmarried and twenty-five years of age. And your respondents further admit that if the estates of the said Theresa K. Ross and Charles Worthington Ross III, should terminate by the death of both, the heirs at law of the said Charles Worthington Ross, III, would be your respondents, Richard P. Ross and George J. Ross, and Cornelia R. McSherry and Isabel Kunkle Daniell, and that Blanche S. Ross is the wife of Richard P. Ross, and Helen S. Ross is the wife of George J. Ross. And that of at the termination of the estate of the said Charles Worthington Ross, III, the said Theresa K. Ross be living, then the said Theresa K. Ross, the mother of the said Charles Worthington Ross, III, would be his only heirs at law.

2nd. Your respondents admit that inasmuch as complainants intend to remove from said premises and no longer to occupy the same as a home, it would be advantageous to all the parties in interest to have said property sold and the proceeds thereof invested under the direction of your Honorable Court, and consent to the passage of a decree as prayed.

Witness;
