

McKoy is her husband. There is Ferbie Morgan, who is a daughter of James, and her husband is Philip Morgan. Louise Naomi Jones, is a daughter of James, and she is unmarried.

Q That list of names you have given to the Court is to the best of your information and belief all of the heirs of Lelia Jones Townes?

A As far as I know they are.

Q At present is the property rented, Mrs. Johnson?

A Yes, it is.

Q And what rental do you get a month?

A \$30 a month.

Q From your knowledge what is the condition of the property?

A From my knowledge, I do know what the man has done who is living in it, because I have made the payments of the expenses.

Q Do you feel it would be to the best interests of all the parties and the heirs that this property be sold and the proceeds distributed among the people entitled to the fund?

A I think so, because all the people who are interested live away and nobody wants to use it as a home. Uncle Arthur has already said it doesn't make any difference to him.

Q Uncle Arthur is a brother of Lelia Townes?

A Yes.

Q (The Court) Would it be possible to divide the property in kind?

A No, sir.
