Q Do you think she is competent to take care of her business and manage her affairs?

A Very definitely not.

JOHN W. MYERS, being first duly sworn, deposes and says:
By Mr. Bennett:

Q Mr. Myers, you are the husband of Lillie R. Myers ?

A Yes.

Q And your wife is now in the Riggs Sanitarium?

A That's right.

Q How long has she been there, do you know?

A Well, the last time she was taken down was in February - I don't know the exact date - the first time she was taken down was the 14th of December and she was down there quite a while, then she was out three weeks and she just went back in the same rut again and had to break in the bathroom the second time and take her out.

Q As to her property, you have listed here in this petition a number of pieces of property which she holds. That is a lot on the East side of North Market Street, in Frederick City, Frederick County, Maryland, improved with a 3-story brick dwelling that is commonly known as the Edgewood Hotel. The other lot is on the West side of North Market Street, in Frederick City, improved with a two-story brick building that is commonly known as the Annex. Then there is a lot in Woodsboro you have listed here. That is all the real estate. You have listed a Chrysler sedan, 1941, and furniture and hotel equipment in these two city properties. Do you know of any property other than the things you have listed here owned by your wife?

A No, sir.

Q Do you know of any cash she has on hand?
