

A I value that \$200. It was given to me as 40 feet front. The County has it set up at 42 feet, by 160. I don't know what the remaining portion is, but the lot as it lays there today I would value it \$200 - not over \$200.

Q Mr. Bowlus, knowing these properties as you do, could they be divided among the heirs?

A It would be impossible to divide them in a fair manner.

Q You think it would be to the best interest and advantage of the heirs to have it sold and the proceeds of sale divided?

A I think that would be the only way for them to get their proportion.
