

better than I do.

Q So far as you can see the place cannot be divided equally among the heirs at law and next of kin without great loss and injury, can it?

A No.

Q The value of \$1,000 placed on this parcel - is that about right?

A Yes, I would say that is about right.

Q And do you feel that all of the heirs-at-law and people interested recommend that the Court appoint a trustee to sell the place and see that the proceeds are distributed according to law?

A I do.
