- Q. 8 What would you consider to be a fair marketable price of the property on today's market?
A. I would put it at about \$8500.00.
- Q. 9 You have shown this property to prospective purchasers in the past several months, have you not, and are very familiar with its prospects of sale?
A. Yes, sir.

(The witness authorized the Examiner to sign his name to the foregoing testimony.)
