

A Well, we have everything jointly, which is the property and the automobile, and I suppose we would consider the furniture jointly too, although we don't have any receipts to show it, but we considered what was hers was mine and what was mine was hers.

Q You own real property?

A Yes.

Q You and your wife together?

A Yes.

Q Was the property conveyed to you by Samuel Hendricks?

A Yes.

Q In 1953? A. Yes.

Q Will you just briefly describe that, please?

A Well, we bought the ground from him and had the house built. It is what we call a one and a half story bungalow, it has five rooms and bath on the ground floor, and an unfinished attic, and it has a full basement.

Q Where is that located?

A It is located on the South side of East Main Street in Thurmont.

Q You ask the Court to appoint a Committee?

A Yes.

Q Who do you recommend that the Court appoint as Committee?

A Mr. Gail L. Cutshall.

Q What is the value of the automobile, Mr. Davis?

A It is a 1955 Plymouth 2-door sedan. I am not familiar enough with automobiles to know what to place as a value. It should be worth \$1,000 at least, but whether you could get that for it is another question.

Q How about your furniture and other personal property?

A Well, our furniture is in good condition, but you have to take into consideration when you put furniture up at public sale it is quite a depreciation. So I would hardly know just what to say.
