

James Arunah Rogers et al.

No. 16,336 Equity.

VS.

In the Circuit Court for

Anna Margaret Rogers et al.

Frederick County, in Equity.

To the Honorable, the Judges of said Court:

The Answer of Anna Margaret Rogers, one of the Respon-

dents in the above cause, in proper person, respectfully shows unto

your Honors:

First: That your respondent admits all the matters and things contained in the Bill of Complaint heretofore filed in this cause.

Second: That your respondent requests that your Honors assume jurisdiction of the further administration of the estate of the said Charles Arunah Rogers, construe the will of the said testator and determine the rights of the parties in interest.

Third: That your respondent alleges that the testator in the third item of his will gave to his son, James Arunah Rogers, when he reached the age of twenty five years, the privilege of buying the farm, known as Eutaw Place, at a price to be determined by three disinterested land owners in the District or for the sum of One Hundred Dollars, per acre, and provided that in the event he did not exercise said privilege, when he became twenty-five years of age, it whould pass to each of his remaining children when each should arrive at the age of twenty-five years, in the order and upon the terms set out in said item of his will. That none of the children of the testator exercised said power when they became twenty-five years of age.

Fourth: That your respondent alleges that it was the wish and desire of her father, the testator, that the farm should be kept in the family. That your respondent desires to purchase said farm for the sum of \$100.00 per acre.

Wherefore your respondent prays that she be permitted to purchase said farm for the sum of \$100.00, which amount she is ready and willing to pay.

And having fully answered said Bill your respondent prays

for such relief as may be right and proper in the premises.
