

- A. A fair market value would be about \$50.00 per acre.
- Q. What would be your estimate of all the real estate mentioned in these proceedings?
- A. Total value of all the real estate described herein would be in the neighborhood of \$5500.00.
- Q. In your judgment are the several pieces of property that you have described susceptible of division among the parties entitled thereto?
- A. No.
- Q. In your judgment would it be desirable and of advantage to the parties of this cause that the real estate described be sold by trustees appointed by the Court and the proceeds distributed under the supervision of the Court.
- A. Yes.
- Q. To the general interrogatory.
- A. Nothing further.
