

- Q. Will this property enhance or depreciate in value if it is not sold?
- A. At the present time I think land is about as high as it is going to get, and I think the tendency would be for it to depreciate in value.
- Q. Are you any relation to any of the parties to this cause?
- A. No sir.
- To the General Interrogatory.
- A. No, that is all.
