

premises, so if that house was on the prerises, it would have either had to be removed or something done about it.

Q. Do you know whether this house was ever used as a toll house?

A. No, there was a toll gate just above it on the same hill.

Q. And you say you read that in the deed to the state over at the court house?

A. Yes, sir, I can't tell you right off hand, but I can find it.

Q. That's all I have to ask Mr. Summers.
