

A She has some of her mother's and her brother's altogether.

Q In your opinion what would the household effects be worth?

A About \$450.00, I think.

Q Do you have any idea of what the real estate is worth?

A No, I don't, but it seems to me it should be around eleven or twelve thousand dollars.

Q Why do you say that, Mrs. Klipp?

A Well, my sister-in-law died and that property was sold and brought \$13,000, and it was just a stucco house and not brick.

Q Is that located near the house of Miss Falk?

A Just across the street.

Q You have alleged in your petition, Mrs. Klipp, that the real estate is assessed on the tax records of Frederick County, Maryland, in the amount of \$5500, is that correct?

A That is correct.

Q And do you feel that it will be to the best interests of Miss Falk if a committee were appointed?

A I do.

Q And do you desire this Court to appoint ^{you} a committee for Miss Falk?

A Yes.

Q There is nobody else?

A There is nobody else to do the work - no one.

Q (The Court) Are you willing to undertake this as long as your health remains good?

A Yes, sir, I am. I almost have to. She doesn't even have a cousin. She is the last of the family.

Q Have you talked to Harvey Tucker since he was served with the papers about this?

A Yes, he talked with me the other day a couple days before he left.

Q Does he have any objection to this?

A No, he didn't seem to.
