Municipality or quasi municipality names (City of Columbus, Township of Franklin) are located by the distinctive Municipality name (Columbus, City of—Franklin, Township of).

Firm names designated by INITIALS (no surname) such as A A A; B & B Printing Company; M & E Electric Company are located on First Mixed Group Page by FIRST INITIAL.

Firm names beginning with the name of an individual (The Don L. Jones Company) can be indexed in either of two ways. Local practices can govern your choice of the following methods and care should be taken to follow the chosen style consistently in the future:

Example: Indexed by SURNAME: Jones, Don L. Company, The — under J
Indexed by FIRST principal WORD: Don L. Jones Company, The — under D

For Computer Indexes—write the Firm name starting with the alphabetical letter or word under which the name will be located. The computer will sort and place names alphabetically EXACTLY AS YOU WRITE THEM.
