The security interest in aircraft is granted as security for:

a. The payment to secured party of:

1. The promissory note executed by debtor in favor of secured party, described as follows: $160,000.00 payable in 35 installments of $2910.71 each and a final payment of $111,408.13. Interest at 13% per annum.

2. b. The repayment of any and all sums and amounts that are necessarily advanced or expended by secured party or secured party's assigns for the maintenance or preservation of aircraft or any part thereof.

c. The payment and performance of all obligations and promises of debtor herein contained.

SECTION TWO
DECREASE IN VALUE OF AIRCRAFT

If aircraft hereafter decreases in value, debtor shall give to secured party further security or make payments on account to secured party in amounts and to the extent sufficient to offset the decrease.

SECTION THREE
ASSIGNMENT OF INCOME

Debtor hereby assigns to secured party all rents, issues, income, and profits of or from aircraft. Any money received by secured party under the provisions hereof may, at secured party's option, be applied on any indebtedness secured hereby.

SECTION FOUR
DEBTOR'S RIGHTS IN AIRCRAFT

Debtor hereby declares and warrants to secured party that debtor is the absolute owner and in possession of aircraft; that aircraft is now in debtor's possession at the above-described location; and that aircraft is free and clear of liens, secured interests, encumbrances, and adverse claims, with the exception of the security interest created by this agreement.

SECTION FIVE
PERFECTION OF SECURITY INTEREST

Debtor shall keep this a first lien security interest in aircraft and, at debtor's own expense, shall defend any and all actions and proceedings affecting title to aircraft, or any part thereof, or affecting secured party's security interest therein. Debtor shall, on demand at any time, make due, execute, and deliver all such further acts and documents as shall be required to render all of aircraft available for the security and satisfaction of debtor's indebtedness hereunder.

SECTION SIX
POWER OF ATTORNEY

Any officer of secured party is hereby irrevocably appointed the attorney in fact of debtor, with full power of substitution, to sign any certificate of ownership, registration card, applications, affidavits, or documents necessary to transfer title to any of aircraft, to receive and receipt for all licenses, registration cards, and certificates of ownership, and to do all acts necessary or incident to the powers granted to secured party in this agreement as fully as debtor might.

SECTION SEVEN
PROTECTION OF AIRCRAFT

Debtor shall do all acts that may be necessary to maintain, preserve, and protect aircraft and to keep aircraft in airworthy condition and repair. If all or any part of aircraft becomes worn, damaged, or destroyed, debtor shall replace it by other property of equal value. Debtor shall not cause or permit any waste or unusual or unreasonable depreciation of aircraft or any act for which aircraft might be confiscated. Debtor shall pay, at least thirty (30) days before delinquency, all taxes, charges, assessments, and liens now or hereafter levied or imposed on aircraft and shall not sell, lease, create a security interest in, encumber, or dispose of all or any part of aircraft without secured

party's written consent. At any time on secured party's demand, debtor shall furnish secured party with a report showing the location, condition, and use of aircraft and shall exhibit to and allow inspection by secured party of aircraft. Debtor shall provide, maintain, and deliver to secured party policies insuring aircraft against loss or damage by such risks and in such amounts, forms, and insurers as secured party requires and with loss payable solely to secured party. If secured party takes possession of aircraft, the insurance policy or policies and unearned or returned premiums thereof shall, at secured party's option, become the sole property of secured party, such policies being hereby assigned to secured party.

SECTION EIGHT
USE OF AIRCRAFT

Debtor shall register, use, operate, and control aircraft in accordance with all statutes, laws, ordinances, and regulations relating to the registration, use, and control of such aircraft and accessories. In particular, debtor shall comply with all applicable rules and regulations of the Federal Aviation Administration and Civil Aeronautics Board. Debtor shall neither use aircraft, nor permit aircraft to be used, for any unlawful purpose. Debtor shall not remove aircraft, nor permit aircraft to be removed, from the state where aircraft is permanently located, as set forth herein, for any period in excess of thirty (30) days, without secured party's prior written consent, nor remove or permit removal of aircraft outside the continental limits of the United States.

SECTION NINE
PROTECTION OF SECURITY INTEREST

If debtor fails to make any payment or to do any act herein required, secured party may, without obligation to do so and without notice to or demand on debtor, make such advancements or expenditures and do such acts as secured party may deem necessary to protect secured party's security. Secured party is hereby authorized, without limiting the general nature of the general authority herein conferred, to take possession of aircraft; to pay, purchase, contest, and compromise any security interest, encumbrance, charge, or lien that in secured party's judgment appears to be prior or superior to the security interest created by this agreement; and, in exercising any such powers and authority, to pay any and all necessary expenses, employ counsel, and pay them reasonable fees. Secured party's determination as to whether or not debtor has failed to make any payment or do any act as herein required shall be final and conclusive. Debtor shall pay immediately and without demand all sums expended by secured party pursuant to the provisions of this agreement, with interest from date of expenditure at the rate of secured party's floating prime rate plus two percent per annum.

SECTION TEN
DEFAULT; REMEDIES

If debtor defaults in the payment of any of the indebtedness, obligations, or liabilities secured hereby or in the performance of any of debtor's other obligations, promises, warranties, or declarations herein contained or secured hereby, secured party, at its option and without demand on or notice to debtor, may declare all indebtedness, obligations, and liabilities secured hereby, and all other sums owing by debtor to secured party, to be immediately due and payable. Secured party shall thereupon have the remedies of a secured party under the Uniform Commercial Code, Commercial Law Article of the Annotated Code of Maryland, including, without limitation, the rights to require debtor to assemble aircraft and make it available to secured party at a place designated by secured party; to enter on the premises where aircraft may be and take possession thereof; and to remove and/or sell and/or dispose of aircraft, or any part thereof, at

public or private sale on legal notice to debtor. Aircraft, or any part thereof, may be sold in one or more lots at one or more sales which may be held on different days and which need not be within view of the property being sold. Secured party shall deduct and retain from the proceeds of such sale or sales all costs, expenses, and charges paid or incurred in the taking, removal, handling, and sale of aircraft, or otherwise incurred in connection therewith, including any reasonable attorney's fees incurred or paid by secured party. The balance of the proceeds shall be applied by secured party on the indebtedness, obligations, and liabilities secured hereby, in such order and manner as secured party may determine, and the surplus, if any, shall be paid to debtor or to the person or persons lawfully entitled to receive it. If suit is brought or any proceedings are instituted by secured party in connection with this agreement, there shall be due from debtor to secured party, immediately on the commencement thereof, a reasonable attorney's fee in such action or proceeding, which sum is hereby secured. In any such action or proceeding, secured party shall be entitled to the employment of a receiver, without notice, to take possession of all or any part of aircraft and to exercise such powers as the court shall confer upon such receiver. At any sale or sales, made under this agreement or authorized herein, secured party, any person on behalf of secured party, or any other person may bid for and purchase aircraft, and, in the event of such purchase, the purchaser shall hold aircraft thereafter discharged of all right of redemption.

The right to plead any and all statutes of limitations as a defense to any demand secured by this agreement is hereby waived to the full extent and the longest period allowed by law.

SECTION ELEVEN
WAIVER

Without in any way affecting debtor's obligation hereunder, secured party may, from time to time and without notice, release or otherwise deal with any person now or hereafter liable for the payment or performance of any obligation hereunder or secured hereby; renew, extend, or alter the time or terms of payment of any such obligation; and release, surrender, or substitute any property or other security for any such obligation, or accept any type of further security therefor. Consent is hereby given to delay or indulge in enforcing payment or performance of any such obligation, and debtor hereby waives diligence, presentment, protest, demand, and notice of every kind, as well as the right to require secured party to proceed against any person liable for the payment of any such obligation or to foreclose on, sell, or otherwise realize on or collect or apply any other property, real or personal, securing such obligation, as a condition or prior to proceeding hereunder.

SECTION TWELVE

This agreement shall be construed according to the terms of the Commercial Law Article of the Annotated Code of Maryland, Article 9 and other applicable laws of the State of Maryland. Whenever the context so requires, the masculine gender includes the feminine and neuter, the singular number includes the plural, and the plural includes the singular. If there is more than one debtor, the provisions of this agreement in reference to debtor shall be construed to apply jointly and severally to each of the debtors. If Lessee fails to pay when due any rent or other amount required herein to be paid to Lessor, Lessee shall pay to Lessor a service charge of five per cent (5%) of each instalment or part thereof for said rent or other amount shall be delinquent, or $2.50, whichever is greater, plus interest on such delinquent rent or other amount from the due date thereof until paid at the maximum rate allowed by law.

21. DEFAULT, REMEDIES. (a) Any one of the following events shall constitute an event of default hereunder ("Default"): (i) failure to pay when due and payable any payment of rent (original or renewal), (ii) failure by Lessee to fully perform, keep and observe any term, provision, warranty or condition contained in this Lease or in any other agreement, lease, instrument or document heretofore, now or hereafter executed by Lessee and delivered to Lessor, which term, provision, warranty or condition is required to be performed, kept or observed by Lessee, (iii) if at any time or times hereafter any warranty, representation, statement, report or certificate now or hereafter made or furnished to Lessor by or on behalf of Lessee is not true and correct, (iv) if the Equipment or any of Lessee's property is attached, seized, subject to a writ or distress warrant, or is levied upon or comes within the possession of any receiver, trustee, custodian or assignee for the benefit of creditors, (v) the death of Lessee or any of them, (vi) the filing or commencement of any application or proceeding by or against Lessee for dissolution or liquidation, (vii) the filing by or against Lessee of a petition for an adjudication of bankruptcy under the Bankruptcy Act or for any other proceeding thereunder including, without limitation, a proceeding under Chapters X, XI, XII or XIII thereof or for the appointment of a receiver, trustee or custodian for all or any part of Lessee's Equipment or all or any part of the property of Lessee, (viii) the making by Lessee of an assignment for the benefit of creditors, (ix) the attempt by Lessee to make an adjustment, settlement or extension of debts with its creditors, (x) the filing of a notice of tax lien, or the existence of any other lien or encumbrance with respect to the Equipment, Lessee, or all or any part of Lessee's property, (xi) if Lessee is enjoined, restrained or in any way prevented by court order or otherwise from conducting all or any part of its business affairs in the ordinary course, (xii) if Lessee ceases for a period of five (5) consecutive days to conduct its business affairs in the ordinary course, (xiii) if for any reason Lessee makes a bulk transfer of Equipment, furnishings, fixtures or other equipment or inventory, (xiv) if Lessee shall move the Equipment or cause the Equipment to be moved from the location of Equipment as set forth above without obtaining the prior written consent of Lessor or (xv) if there exist reasonable grounds for insecurity on the part of Lessor as to future performance by Lessee of any of the terms or conditions of this Lease and Lessor is not provided with adequate assurance of such due performance within ten (10) days from receipt of notice from Lessor of such insecurity. (b) Upon a Default, Lessor shall have the right to exercise any one or more of the following remedies: (i) to declare immediately due and payable any and all rents for original or renewal) due and to become due hereunder and any other sums lawfully due and to become due hereunder, and to recover the same, (ii) to take possession of any or all items of Equipment wherever the same may be located without demand or notice, without any court order or process of law and without liability to Lessee for damages occasioned by such taking of possession, and without being liable to any suit or other action or other proceeding by Lessee or any assignee of Lessee in the event of such retaking of possession of any or all items of Equipment as aforesaid. Lessor may, in its sole discretion, release the Equipment for a term and a rental which may be equal to, greater than, or less than the rental and term herein provided, or may use the Equipment or sell or otherwise dispose of the Equipment at public or private sale, for cash or credit and Lessor may become a purchaser at such sale. No such retaking of possession of any or all items of Equipment as aforesaid, nor any releasing of any or all items of Equipment all as aforesaid shall in any way limit the right of Lessor to other and further damages resulting from Lessee's Default. (iii) Lessor may pursue any other remedy provided at law or in equity. All rights and remedies of Lessor hereunder or by law or equity provided are cumulative, and may, to the extent permitted by law, be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed to be an exclusive election of such remedy or preclude the exercise of any other remedy. No failure on the part of Lessor to exercise, nor any delay in exercising, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise by Lessor of any right or remedy hereunder preclude any other or future exercise thereof or the exercise of any other right or remedy. (c) Any notice of sale, lease or other disposition of any or all items of Equipment or any other intended action by Lessor with respect to any or all items of Equipment or with respect to this Lease sent to Lessee in accordance with Paragraph 25 hereof at least five (5) days prior to such action shall constitute reasonable and fair notice to Lessee of any such action and will be deemed to have been given to Lessee two (2) days after the date such notice is deposited in the United States mail. (d) To the extent permitted by applicable law, Lessee hereby waives and releases Lessor of and from any and all liabilities or penalties for failure of Lessor to comply with any statutory or other requirement imposed on Lessor relating to notices of sale, holding of sale or reporting of any sale.

22. BANKRUPTCY OR INSOLVENCY. In the event of a proceeding pursuant to Title 11 of the United States Code (Bankruptcy) or similar state court proceeding, before any party may assume, reinstate or continue this lease any default hereunder must be cured as a condition precedent to the assumption, reinstatement or continuance pursuant to 11 USC §365 or otherwise. The parties hereto specifically agree that said default to be cured shall include any and all reasonable attorneys' fees, interest on any unpaid rents at the highest rate allowed by law and any and all additional incidental and consequential expenses attendant upon said default. It is further agreed that the Lessor's prior approval is a prerequisite to any assumption, reinstatement or continuance. The use, assignability or transferability of any equipment may not be altered by Lessee or any trustee, receiver or other officer of the court, or otherwise, with regard to this lease. All rents and profits from sublets, where permissible, shall be the sole property of the Lessor. Lessee specifically grants Lessor the right of set off for unpaid charges against prepaid rents or security. This Lease may not be assumed, assigned, reinstated or continued in part, but must be so assigned, etc., in whole if permitted by Lessor.

23. LESSOR'S EXPENSES. Lessee shall pay Lessor all costs and expenses, including reasonable attorney's fees, the fees of collection agencies, and other expenses such as telephone and telegraph charges, incurred by Lessor in enforcing any of the terms, conditions or provisions hereof.

24. OWNERSHIP; PERSONAL PROPERTY. Equipment is and shall at all times remain the property of Lessor and Lessee shall have no right, title or interest therein or thereto except as expressly set forth in this lease. Equipment is and shall at all times be and remain personal property notwithstanding that Equipment or any part thereof may now be, or hereafter become, in any manner affixed or attached to real property or any building thereon.

25. NOTICES. Service of all notices under this lease shall be sufficient if given personally or mailed to the party involved at its respective address set forth above or at such other addresses as said party may provide in writing from time to time. Any such notice mailed to said address shall be effective when deposited in the United States mail, duly addressed and with postage prepaid.

26. SECURITY DEPOSIT. If so the within lease provides for a security deposit, Lessor may, but shall not be obliged to, apply the security deposit to cure any default of Lessee hereunder, in which event Lessee shall promptly restore the security deposit to the full amount specified above. Upon termination of this lease and all renewals hereof, if Lessee has fulfilled all the terms and conditions hereof, Lessor shall return to Lessee any remaining balance of the security deposit actually made by Lessee, without interest.

27. SEVERABILITY. If any provision of this lease or the application thereof to any party or circumstance is held invalid or unenforceable, the remainder of this lease and the application of such provision to other parties or circumstances will not be affected thereby and to this end the provisions of this lease are declared severable.

28. AMENDMENTS AND WAIVERS. This lease and any schedules thereto executed by both Lessee and Lessor constitute the entire agreement between Lessee and Lessor with respect to the Equipment which is the subject matter of this lease. No express or implied waiver by Lessor of any event of default hereunder shall in any way be or be construed to be a waiver of any future or subsequent event of default, whether similar in kind or otherwise.

29. ADVANCE RENTALS. Any advance rentals paid by Lessee to Lessor shall be applied to rental payments coming due under this Lease as shown above under "Advance Rental Payment(s)".

30. TAX AND ACCOUNTING TREATMENT. 31. FINANCING STATEMENTS. Lessee does hereby appoint Lessor its true and lawful attorney to prepare, execute and sign such Financing Statements as may be necessary to protect its interest in the equipment leased hereby, and to sign the name of Lessee with the same force and effect as if signed by Lessee itself, and to file same at Lessee's sole cost and expense in the proper State(s) and County(s) as required, and Lessee does hereby declare such Financing Statements so signed by the Lessor as its attorney shall be binding upon Lessee, its heirs and assigns.

32. GENDER; NUMBER. When the sense so requires, words of any gender used in this Lease shall be deemed to include any other gender and words of the singular number shall be held to include the plural and vice versa.

33. MISCELLANEOUS. No provision of this lease can be waived except by the written consent of Lessor. Lessee shall provide Lessor with such corporate resolutions, opinions of counsel, financial statements and other documents as Lessor shall request from time to time, and shall execute and deliver to Lessor, upon Lessor's request, such instruments and assurances as Lessor deems necessary for the confirmation or perfection of this Lease and Lessor's rights hereunder. If more than one Lessee is named in this lease, the liability of each shall be joint and several. If Lessor so requests, Lessee shall execute such documents as Lessor shall require for filing or recording. This Lease shall be governed by and construed in accordance with the laws of the State of New Jersey.

This Mortgage may be assigned along with any and all Mortgage Obligations without notice to Mortgagor and upon such assignment Mortgagor agrees not to assert against any assignee hereof any defense, set-off, recoupment, claim, counterclaim or cross complaint which Mortgagor may have against Mortgagee, whether arising hereunder or otherwise, and such assignee shall be entitled to at least the same rights as Mortgagor. Mortgagor hereby designates and appoints Stuart B. Glover, Esq., 530 Fifth Avenue, New York, New York and C-A Credit Corp., New York, New York or either of them as Mortgagor's true and lawful Attorney-in-Fact and agent for Mortgagor and in Mortgagor's name, place and stead to accept service of any process within the State of New York, Mortgagee agreeing to notify Mortgagor at Mortgagor's address, as shown herein, by certified mail within three (3) days of such service having been effected and Mortgagor and Mortgagee hereby specifically agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder and with respect to the Mortgage Obligations. At Mortgagee's request Mortgagor will furnish current financial statement satisfactory to Mortgagee in form, preparation and content.

5. If Mortgagor shall default in the prompt payment, performance or fulfillment of any of the Mortgage Obligations, or if Mortgagor shall cease doing business, or shall become insolvent, or make an assignment for the benefit of creditors, or if bankruptcy proceedings or proceedings for arrangement or reorganization under any Bankruptcy Act or proceedings for the appointment of a receiver, trustee, liquidator, or custodian for Mortgagor or any of Mortgagor's property shall be commenced by or against Mortgagor, or if Mortgagor shall fail punctually and faithfully to fulfill, observe or perform any of the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage or in any present or future agreement or instrument between Mortgagor and Mortgagee, or if any of the warranties, covenants or representations made to Mortgagee be or become untrue or incorrect in any adverse respect, or if there shall be a change in the management, operations, ownership of its stock or control of Mortgagor, or if Mortgagee at any time deems the security afforded by this Mortgage unsafe, inadequate or at any risk, then in any such event all Mortgage Obligations shall at once, at the option of Mortgagee, become immediately due and payable without notice to Mortgagor, and in such event it shall be lawful for Mortgagee to take possession of the Mortgaged Property at any time, wherever it may be, and to enter any of the premises of Mortgagor with or without process of law, and search for, take possession of, remove, or keep and store the same in said premises, without liability for trespass nor charge for storage of the Mortgaged Property, until sold, and to sell the Mortgaged Property or any part thereof and all of Mortgagor's equity of redemption therein at public or private sale, without notice or advertisement, such notice or advertisement being expressly waived by Mortgagor, for cash or on credit, and on such terms as Mortgagee may in its sole discretion elect in such county and at such places as Mortgagee may elect and without having the Mortgaged Property at the place of sale. Mortgagee may bid or become the purchaser at any such sale and Mortgagor waives any and all rights of redemption from any such sale. The proceeds of any sale shall be applied first to pay all costs, expenses and charges for pursuing, searching, taking, removing, keeping, advertising, and selling the Mortgaged Property, including attorneys' fees equal to 20% of the unpaid Mortgage Obligations, and second to the payment, partly or entirely, of any of the Mortgage Obligations as Mortgagee may in its sole discretion elect, returning the overplus if any to Mortgagor, who shall remain liable to Mortgagee for any deficiency, and Mortgagor hereby irrevocably consents to the appointment of a receiver for the Mortgaged Property and/or all other property of Mortgagor, and of the rents, issues and profits thereof, after such sale and such receivership may continue until such deficiency is satisfied in full. Mortgagor expressly waives any right to notice or hearing in any action to recover possession of any or all of the Mortgaged Property. In any action in the nature of replevin or sequestration, Mortgagor agrees that if it contests such action it will post a bond written by a national insurance company authorized to execute such bonds in the state or territory of such proceedings, such bond to be no less than the value of the subject matter of such replevin or the unpaid balance then owing to Mortgagee, whichever be less. Mortgagor hereby irrevocably authorizes any attorney of any court of record to appear for and confess one or more judgments against Mortgagor (except in any jurisdiction where such action is not permitted by law) for all unpaid balances due under the Mortgage Obligations, any other monies due hereunder and any deficiency, without stay of execution, and waive the issue of process, all right of appeal and relief from any and all appraisement, stay or exemption laws then in force. Any notices relating hereto shall be in writing and delivered in person to an officer of the party to whom addressed or mailed by certified mail to such party at its address specified herein or at such other address as may hereafter be specified by like notice by either party to the other. Reasonable notification hereunder shall be any notification given or sent at least five (5) days prior to the event for which such notification is sent. Mortgagor and Mortgagee hereby waive any and all rights to a trial by jury in any action or proceeding based hereon or arising hereunder or any counterclaims, cross-claims, set-offs or recoupment claims whatsoever.

6. Mortgagee may at any time, with or without exercising any of the rights or remedies aforesaid and without prior notice or demand to Mortgagor, appropriate and apply toward the payment of the Mortgage Obligations any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Mortgagee's hands and belonging or owing to Mortgagor, and for such purposes, endorse the name of Mortgagor on any such instrument made payable to Mortgagor for deposit, discount or collection. Such applications may be made or any monies paid to Mortgagee may be applied, without notice to Mortgagor, partly or entirely to any of the Mortgage Obligations as Mortgagee in its sole discretion may elect. In its sole discretion, Mortgagee may apply and/or change applications of any sums paid and/or to be paid by or for Mortgagor under any circumstances to any obligations of Mortgagor to Mortgagee, presently existing or otherwise. The interest rates which may be provided for in any instrument evidencing one or more Mortgage Obligations are and/or may be related to the New York City

banks' prime money rate in effect on the date of Mortgagor's request of Mortgagee with respect to the particular Mortgage Obligation involved and if thereafter there be one or more increases or decreases in said prime rate, the aforesaid interest rates shall each be increased (or decreased respectively) on the effective date of any such change in prime rate to the extent of .30% for each .25% change in the prime rate, however, in no event shall any interest rate be less than any stated in the instrument evidencing any Mortgage Obligation nor shall such rate ever be more than any maximum permitted by applicable law.

7. If, after default by Mortgagor in the payment, performance or fulfillment of any of the Mortgage Obligations or of the entire unpaid amount of the Mortgage Obligations after the same become or are declared due and payable, Mortgagee fails to demand full payment, performance or fulfillment or otherwise to proceed, such failure shall not be deemed a waiver of the rights of Mortgagee to make subsequent demands for the immediate payment of the entire unpaid amount of the Mortgage Obligations, or to take immediate possession of the Mortgaged Property, or to foreclose at any time this Mortgage, or to demand full performance or fulfillment, or otherwise to proceed; and the acceptance by Mortgagee of any payments subsequent to such default shall not be deemed a waiver of any rights of Mortgagee. No delay or failure on the part of Mortgagee in exercising any right, privilege, remedy or option hereunder shall operate as a waiver of such or of any other right, privilege, remedy or option, and no waiver whatever shall be valid unless in writing, signed by an officer of Mortgagee and then only to the extent therein set forth. This Mortgage cannot be changed or terminated orally. The books and records of Mortgagee containing entries with respect to the Mortgage Obligations shall be admissible in evidence in any action or proceeding, shall be binding upon Mortgagor for the purpose of establishing the items therein set forth and shall constitute prima facie proof thereof. Mortgagee shall have the right to enforce any one or more remedies available to it successively, alternately or concurrently. Only a writing, signed by an officer of Mortgagee, shall be effective, but only to the extent therein specifically set forth, to change, modify or terminate any Mortgage Obligation, this Mortgage or any other agreement between Mortgagor and Mortgagee.

8. All of the rights, remedies, options, privileges and elections given to Mortgagee hereunder shall enure to the benefit of Mortgagee, any transferee or holder of this Mortgage, and their respective successors and assigns; and all the terms, conditions, promises, covenants, provisions and warranties of this Mortgage shall enure to the benefit of and shall bind the representatives, succcessors and assigns of the respective parties. Any and all security interests granted to Mortgagee shall attach to any and all proceeds and products. Each person signing this Mortgage warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the unpaid balance of the Mortgage Obligations in the event of the breach of the above provision and/or in the event Mortgagor fails to pay its obligations in full to Mortgagee immediately upon the sale, transfer, assignment or conversion of any of the Mortgaged Property and agrees that upon the request of Mortgagee after any default to segregate and hold all or any part of the Mortgaged Property in a fiduciary capacity and to adequately maintain service and insure said property and to protect same from use and/or abuse, all without charge to Mortgagee, such fiduciary duty to terminate only upon the actual delivery of the Mortgaged Property to Mortgagee. Mortgagor, recognizing that in the event of default no remedy at law would provide adequate relief to Mortgagee, agrees that Mortgagee shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damages.

9. Some of the Mortgaged Property may be in the hands of Mortgagor under one or more security agreements which are or may be held by Mortgagee and with respect to such Mortgaged Property, this Mortgage is only of any equity that Mortgagor may now or in the future have in such Mortgaged Property and Mortgagee by accepting this Mortgage shall not in any manner be considered as having waived any security interest arising independently of this Mortgage nor shall this Mortgage be construed as adversely affecting any rights of Mortgagee under any other security agreement nor as a waiver of any of the terms and provisions of any other security agreement, guaranty or endorsement, all of which shall remain and continue in full force and effect.

10. Intending that each and every provision of this Mortgage be fully effective and enforceable according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state where the Mortgaged Property may be located or the residence or principal place of business of Mortgagor or Mortgagee, whichever renders each such provision effective, however, if any one or more provisions hereof are in conflict with any statute or law and therefore not valid or enforceable, then each such provision shall be deemed null and void but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof.

IN WITNESS WHEREOF, Mortgagor has caused these presents to be duly executed, the day and year first above written.

1. Savin or its Assignee (hereinafter referred to as Lessor) leases to Lessee and Lessee rents from Lessor the equipment listed above or, if separately scheduled, in the schedule hereto annexed, marked Schedule "A" and made a part hereof. Said equipment will be located at the above address and will not be moved to a new location without written permission first given by Lessor. Lessor acknowledges receipt of the first payment referred to above from Lessee. Any part of this payment not applied by Lessor as rental for the first month or quarter of the lease, shall be held as security for the performance of the terms of this lease. If Lessee is not in default hereunder, or under any other lease between the parties hereto, at the end of the term of this lease said security shall be refunded to the Lessee upon return of the leased equipment as provided in Paragraph 5 or, solely at the Lessor's option, applied toward the payment of rent due and to become due hereunder in the inverse order of their maturities. This lease shall commence on the date accepted by Lessor and Lessee shall make his next rental payment hereunder no later than 30 days (if rentals are payable monthly) or 90 days (if rentals are payable quarterly) from the commencement date, at the sole discretion of Lessor.

2. (A) LESSEE HAS SELECTED BOTH (1) THE EQUIPMENT AND (2) THE ABOVE SUPPLIER FROM WHOM THE EQUIPMENT IS TO BE OBTAINED. LESSOR IF OTHER THAN SAVIN MAKES NO WARRANTY EXPRESS OR IMPLIED AS TO ANY MATTER WHATSOEVER, INCLUDING THE CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, AND AS TO SUCH LESSOR, LESSEE LEASES THE EQUIPMENT "AS IS".

(B) IF THE EQUIPMENT IS NOT PROPERLY INSTALLED, DOES NOT OPERATE AS REPRESENTED OR WARRANTED BY SUPPLIER OR IS UNSATISFACTORY FOR ANY REASON, LESSEE SHALL MAKE ANY CLAIM ON ACCOUNT THEREOF SOLELY AGAINST SUPPLIER AND SHALL, NEVERTHELESS, PAY LESSOR IF OTHER THAN SAVIN ALL RENT PAYABLE UNDER THIS LEASE, LESSEE HEREBY WAIVING ANY SUCH CLAIMS AS AGAINST SUCH LESSOR. LESSOR IF OTHER THAN SAVIN MAY INCLUDE, AS A CONDITION OF ITS PURCHASE ORDER, THAT SUPPLIER AGREE THAT ALL WARRANTIES, AGREEMENTS AND REPRESENTATIONS, IF ANY, WHICH MAY BE MADE BY SUPPLIER TO LESSEE OR SUCH LESSOR MAY BE ENFORCED BY LESSEE IN ITS OWN NAME. LESSOR IF OTHER THAN SAVIN SHALL HAVE NO RESPONSIBILITY FOR DELAY OR FAILURE TO FILL THE ORDER.

(C) LESSEE UNDERSTANDS AND AGREES THAT NEITHER THE SUPPLIER NDR ANY SALESMAN OR OTHER AGENT OF THE SUPPLIER, IS AN AGENT OF LESSOR IF SUCH LESSOR IS OTHER THAN SAVIN. NO SALESMAN OR AGENT OF SUPPLIER IS AUTHORIZED TO WAIVE OR ALTER ANY TERM OR CONDITION OF THIS LEASE, AND NO REPRESENTATION AS TO THE EQUIPMENT OR ANY OTHER MATTER BY THE SUPPLIER, SHALL IN ANY WAY AFFECT LESSEE'S DUTY TO PAY THE RENT AND PERFORM ITS OTHER OBLIGATIONS AS SET FORTH IN THIS LEASE.

(D) LESSOR IF OTHER THAN SAVIN AGREES TO ORDER THE EQUIPMENT FROM SUPPLIER UPON THE TERMS AND CONDITIONS OF THE PURCHASE ORDER INITIALLY ATTACHED HERETO.

THIS LEASE IS SUBJECT TO THE TERMS AND CONDITIONS PRINTED ON THE REVERSE SIDE WHICH ARE MADE A PART HEREOF AND WHICH LESSEE ACKNOWLEDGES THAT HE HAS READ.

TERMS AND CONDITIONS CONSTITUTING PART OF LEASE ON REVERSE SIDE HEREOF.

1. Lessor may inspect the equipment at any time and Lessee agrees to keep it in first class condition and repair at Lessee's expense and house the same in suitable shelter, and not to sell or otherwise dispose of his interest therein or in any equipment or accessories attached thereto.

4. Lessee promises and agrees to pay all specified rental installments in advance on the date designated for the payment herein without demand. Said rental shall be payable at the office of Lessor, or to such other person and/or at such other place as Lessor may from time to time designate in writing.

5. No title or right in said equipment shall pass to Lessee except the rights herein expressly granted. Plates or other markings will be affixed to or placed on said equipment by Lessor or at Lessor's request by Lessee at Lessee's expense indicating that Lessor is the owner thereof and Lessee will not remove the same. Upon the termination of the lease period, Lessee will immediately crate, insure and ship the equipment to whatever destination Lessee shall direct, all at Lessee's expense, in as good condition as received less normal wear and tear. Said equipment shall always remain and be deemed personal property even though attached to realty. All replacements, accessories or capital improvements made to or placed in or upon said equipment shall become a component part thereof and title thereto shall be immediately vested in Lessor and shall be included under the terms hereof. The Lessee agrees that the Lessor is authorized, at its option, to file financing statement(s) or amendments thereto without the signature of the Lessee with respect to any or all of the leased property or if a signature is required by law, then the Lessee appoints Lessor as Lessee's attorney-in-fact to execute any such financing statement(s) and further agrees to reimburse the Lessor for the expense of any such filing(s).

6. Lessor may assign this lease and its assignee may assign the same. All rights of Lessor hereunder shall be succeeded to by any assignee hereof and said assignee's title to this lease, to the rental herein provided for to be paid, and in and to said equipment shall be free from all defenses, setoffs or counterclaims of any kind which Lessee may be entitled to assert against Lessor. Lessee hereby waives the same as against such assignee, it being understood and agreed that any assignee of Lessor does not assume any obligations of the Lessor hereinabove named. It is further understood and agreed, however, that Lessee may separately claim against Lessor's assignee any matters which Lessee may be entitled to assert against Lessor. Lessee shall not assign, mortgage or hypothecate this lease or any interest herein or sublet said equipment without the prior written consent of the Lessor. Any assignment, mortgage, hypothecation or sublease by Lessee without such consent shall be void.

7. Lessee assumes the entire risk of loss or damage to the equipment, whether or not covered by insurance, and no such loss shall relieve Lessee of its obligations hereunder. Lessee agrees to keep the equipment insured to protect all interests of Lessor, at Lessee's expense against all risks of loss or damage from any cause whatsoever for not less than the unpaid balance of the lease rentals due hereunder or 80% of the then current value of said equipment, whichever is higher and in addition shall purchase insurance in an amount reasonable under the circumstances to cover the liability of Lessor for public liability and property damage. Said insurance policies and the proceeds therefrom shall be the sole property of Lessee and Lessor shall be named as an insured in all said policies and as sole loss payee in the policies insuring the equipment. The proceeds of such insurance, whether resulting from loss or damage or return premiums or otherwise, shall be applied toward the replacement or repair of the said equipment or the payment of obligations of Lessee hereunder at the option of Lessor. Lessee hereby appoints Lessor as Lessee's attorney-in-fact to make claim for, receive payment of and execute or endorse all documents, checks or drafts for loss or damage or return premium under any insurance policy issued on said equipment.

8. Lessee does hereby agree to indemnify and hold Lessor free and harmless against all claim, loss, liability and expense (including attorneys' fees) resulting from any loss or damage to the equipment and for injuries to, or deaths of persons, and damage to property, however occurring, directly or indirectly, from or incident to the use, operation or storage of the equipment and whether such injury or death to persons be of agents or employees of the Lessee or of third parties, it being specifically agreed to and acknowledged by the Lessee that the foregoing provision includes but is not limited to all claim, loss, liability and expense (including attorneys' fees) occurring by reason of any negligence (active or passive), ambulance, or other act or conduct of the Lessor or any third party acting for or on behalf of the Lessor.

9. Lessee agrees to use, operate and maintain said equipment in accordance with all laws; to pay all licensing or registration fees for said equipment; to keep the same free of levies, liens and encumbrances; to show the equipment as "leased equipment" on Lessee's personal property tax returns; to pay Lessor's sum equal to all personal property taxes assessed against the equipment, which sum Lessor shall remit to the taxing authority; to pay all other taxes, assessments, fees and penalties which may be levied or assessed on or in respect to said equipment or to the use of any interest therein, or rental payments thereon, including but not limited to all federal, state and local taxes, however designated, levied or assessed upon the Lessee and Lessor or either of them or said equipment, or upon the sale, ownership, use or operation thereof. Lessor may pay such taxes and other amounts and may file such returns on behalf of Lessee if Lessee fails to do so as provided herein. On written request from Lessor, Lessee agrees to reimburse Lessor for reasonable costs incurred in collecting any taxes, assessments or fees for which Lessee is liable hereunder and remitting the same to the appropriate authorities.

10. All amounts made by Lessor to preserve said equipment or to pay insurance premiums for insurance thereon or to discharge and pay any taxes, assessments, fees, penalties, liens or encumbrances thereon shall be added to the unpaid balance of rentals due hereunder and shall be repayable by Lessee to Lessor immediately together with interest thereon at the rate of one and one-half (1½%) per cent per month, if allowed by law, and if not allowed, then at the maximum rate of interest permissable in the applicable jurisdiction.

11. In the event Lessee shall default in the payment of any rent, additional rent, or any other sums due hereunder for a period of ten (10) days, or in the event of any default or breach of the terms and conditions of this lease, or any other lease between the parties hereto, or if any execution or other process shall be issued in any action or proceeding against the Lessee, whereby the said equipment may be taken or disturbed, or if a proceeding in bankruptcy, receivership or insolvency shall be instituted by or against the Lessee or its property, or if the Lessee shall enter into any agreement or composition with its creditors, breach any of the terms of any loan or credit agreement, or default thereunder, or if the condition of the Lessee's affairs shall so change as to, in the Lessor's opinion, impair the Lessor's security or increase the credit risk involved, then and in that event the Lessor shall have the right to: (1) retake immediate possession of its equipment without any Court Order or other process of law and for such purpose the Lessor may enter upon any premises where said equipment may be and may remove the same therefrom with or without notice of its intention to do same, without being liable to any suit or action or other proceeding by the Lessee. Lessor may, at its option, sell the equipment at public or private sale for cash or on credit and may become the purchaser at such sale. The Lessee shall be liable for arrears of rent hereunder and under any other lease between the parties, if any, for any other charges due from Lessee hereunder and under any other lease between the parties, for the expense of retaking possession, and the removal of the equipment, and court costs, in addition to the balance of the rentals provided for herein, or in any lease hereof, as well as for the balance of rentals due and to become due under any other lease between the parties, less the net proceeds of the sale of said equipment, after deducting all costs of taking, storage, repair and sale; and/or (2) accelerate the balance of rentals payable hereunder and under any other lease between the parties, thereby requiring prepayment of this lease and any other lease between the parties with all such rentals and charges due and payable forthwith upon such notice of acceleration and demand for payment, the Lessee nevertheless remaining and being liable for the return of the equipment and any loss or destruction of, or injury to, the equipment in the same manner as herein provided. The foregoing rights shall be in addition to and in limitation of the rights of a Secured Party, as set forth in the Uniform Commercial Code of the applicable jurisdiction. Should Lessee fail to make such payment after this notice and demand, Lessor shall be entitled to institute appropriate legal proceedings against Lessee with the Lessee being responsible for said rentals, charges, expenses and attorney fees in an amount equal to twenty percent (20%) of said balance of rentals, charges and expenses due at the time it is placed with an attorney, if allowed by law. In the event Lessee shall exercise any of its rights as above set forth, Lessee shall be obligated to pay, as interest, a sum equal to one and one-half percent (1½%) per month, or any part thereof, on the aggregate unpaid rental payments due hereunder or under any other lease in default by reason hereof, or otherwise, or until all arrears of rent are satisfied, provided said interest payments are allowed by law, and if not allowed by law, the maximum rate of interest permissible in the applicable jurisdiction. The rights granted the Lessor herein shall be cumulative and an action upon one shall not be deemed to constitute an election or waiver of the other right of action to which Lessor may be entitled. All sums due as herein above stated shall become immediately due and payable to be construed as liquidated damages rather than a penalty provision. Lessee hereby waives trial by jury.

12. In the event payment is not made when due hereunder and remains unpaid for a period of 15 days, and Lessor has not exercised its rights pursuant to Paragraph 11 hereof, the Lessee promises to pay (1) a late charge to the Lessor or its assigns not later than one month thereafter, in an amount calculated at the rate of five cents per $1.00 of each such delayed payment (2) interest to the Lessor upon each such delayed payment calculated at the rate of one and one-half (1½%) per cent per month, or any part thereof, commencing one month after the due date of the first delayed payment. The late charge and/or the interest payments set forth in this paragraph shall apply only when permitted by law and, if not permitted by law, the late charge and/or interest payment shall be calculated at the maximum rate permissable in the applicable jurisdiction.

13. The omission by the Lessor at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants or provisions hereof by the Lessee at any time designated, shall not be a waiver of any such default or right to which the Lessor is entitled, nor shall it in any way affect the right of the Lessor to enforce such provisions thereafter. The Lessor may exercise all remedies simultaneously, pursuant to the terms hereof, and any such action shall not operate to release the Lessee until the full amounts of the rentals due and to become due and all other sums to be paid hereunder have been paid.

14. If the equipment or the Lessee is located in the States of California, Florida or Texas this lease, at the option of Lessor, is performable and payable in the City of Beverly Hills, California, Dade County, Florida or Dallas County, Texas respectively, and in the event that suit is brought to enforce the terms hereof the parties hereto agree that any court of competent jurisdiction situated in the aforesaid cities, counties and states shall have venue of such action; otherwise the parties agree that the interpretation and legal effect of this lease shall be governed by the laws of the State of New York.

GUARANTY

Undersigned guarantees performance of above lease by Lessee and payment of all sums due thereunder in event of default, hereby waiving notice of any modification, amendment or extension.

TERMS AND CONDITIONS CONSTITUTING PART OF LEASE ON REVERSE SIDE HEREOF.

3. Lessor may inspect the equipment at any time; and Lessee agrees to keep it in first class condition and repair at Lessee's expense and house the same in suitable shelter, and not to sell or otherwise dispose of his interest therein or in any equipment or accessories attached thereto.

4. Lessee promises and agrees to pay all specified rental installments in advance on the date designated for the payment herein without demand. Said rental shall be payable at the office of Lessor, or to such other person and/or at such other place as Lessor may from time to time designate in writing.

5. No title or right to said equipment shall pass to Lessee except the rights herein expressly granted. Plates or other markings will be affixed to or placed on said equipment by Lessor or at Lessor's request, by Lessee at Lessee's expense indicating that Lessor is the owner thereof and Lessee will not remove the same. Upon the termination of the base period, Lessee will immediately cause, upon instruction the equipment to whatever destination Lessor shall direct, all at Lessee's expense, in as good condition as received less normal wear and tear. Said equipment shall always remain and be deemed personal property even though attached to realty. All replacements, accessories or capital improvements made to or placed in or upon said equipment shall become a component part thereof and title thereto shall be immediately vested in Lessor and shall be included under the terms hereof. The Lessee agrees that the Lessor is authorized, at its option, to file financing statement(s) or amendments thereto without the signature of the Lessee with respect to any or all of the leased property as if a signature is required by law, then the Lessee appoints Lessor as Lessee's attorney-in-fact to execute any such financing statement(s) and further agrees to reimburse the Lessor for the expense of any such filing(s).

6. Lessor may assign this lease and its assignee may assign the same. All rights of Lessor hereunder shall be succeeded to by any assignee hereof and said assignee's title to this lease, to the rental herein provided for to be paid, and to said equipment shall be free from all defenses, setoffs or counterclaims of any kind which Lessee may be entitled to assert against Lessor. Lessee hereby waives the same as against such assignee, it being understood and agreed that any assignee of Lessor does not assume any obligations of the Lessor herein named. It is further understood and agreed, however, that Lessee may separately claim against Lessor as to any matters which Lessee may be entitled to assert against Lessor. Lessee shall not assign, mortgage or hypothecate this lease or any interest herein, or sublet said equipment without the prior written consent of the Lessor. Any assignment, mortgage, hypothecation or sublease by Lessee without such consent shall be void.

7. Lessee assumes the entire risk of loss or damage to the equipment, whether or not covered by insurance, and no such loss shall relieve Lessee of its obligations hereunder. Lessee agrees to keep the equipment insured to protect all interests of Lessor, at Lessee's expense against all risks of loss or damage from any cause whatsoever for not less than the unpaid balance of the lease rentals due hereunder or 80% of the then current value of said equipment, whichever is higher, and in addition shall purchase insurance in an amount reasonable under the circumstances to cover the liability of Lessee for public liability and property damage. Said insurance policies and the proceeds therefrom shall be the sole property of Lessor and Lessor shall be named as an insured in all said policies and as sole loss payee in the policies insuring the equipment. The proceeds of such insurance, whether resulting from loss or damage or return premium or otherwise, shall be applied toward the replacement or repair of the said equipment or the payment of obligations of Lessee hereunder at the option of Lessor. Lessee hereby appoints Lessor as Lessee's attorney-in-fact to make claim for, receive payment of and execute or endorse all documents, checks or drafts for loss or damage or return premium under any insurance policy issued on said equipment.

8. Lessee does hereby agree to indemnify and hold Lessor free and harmless against all claim, loss, liability and expense (including attorneys' fees) resulting from any loss or damage to the equipment and for injuries to, or deaths of persons, and damage to property, however arising, directly or indirectly, from or incident to the use, operation, storage of the equipment and whether such injury or death to persons be of agents or employees of the Lessee or of third parties, it being specifically agreed to and acknowledged by the Lessee that the foregoing provisions include but is not limited to all claim, loss, liability and expense (including attorneys' fees) occurring by reason of any negligence (active or passive), omission, or other act or conduct of the Lessor or any third party acting for or on behalf of the Lessor.

9. Lessee agrees to use, operate and maintain said equipment in accordance with all laws; to pay all licensing or registration fees for said equipment; to keep the same free of levies, liens and encumbrances; to show the equipment as "leased equipment" on Lessee's personal property tax returns; to pay Lessor a sum equal to all personal property taxes assessed against the equipment, which sum Lessee shall remit to the taxing authority; to pay all other taxes, assessments, fees and penalties which may be levied or assessed on or in respect to said equipment or to use or any interest therein, or rental payments thereon, including but not limited to all federal, state and local taxes, however, designated, levied or assessed upon the Lessee and Lessor or either of them or said equipment, or upon the sale, ownership, use or operation thereof. Lessee may pay such taxes and other amounts and may file such returns on behalf of Lessee if Lessee fails to do so as provided herein. On written request from Lessor, Lessee agrees to reimburse Lessor for reasonable costs incurred in collecting any taxes, assessments or fees for which Lessee is liable hereunder and remitting the same to the appropriate authorities.

10. All advances made by Lessor to preserve said equipment or to pay insurance premiums for insurance thereon or to discharge and pay any taxes, assessments, fees, penalties, liens or encumbrances thereon shall be added to the unpaid balance of rentals due hereunder and shall be repayable by Lessee to Lessor immediately together with interest thereon at the rate of one and one-half (1½%) per cent per month, if allowed by law, and if not allowed, then at the maximum rate of interest permissable in the applicable jurisdiction.

11. In the event Lessee shall default in the payment of any rent, additional rent, or any other sums due hereunder for a period of ten (10) days, or in the event of any default or breach of the terms and conditions of this lease or any other lease between the parties hereto, or if any execution or other process shall be issued in any action or proceeding against the Lessee, whereby the said equipment may be taken or disturbed, or if a proceeding in bankruptcy, receivership or insolvency shall be instituted by or against the Lessee or its property, or if the Lessee shall enter into any agreement of composition with its creditors, breach any of the terms of any loan or credit agreement, or default thereunder, or if the condition of the Lessee's affairs shall so change at to, in the Lessor's opinion, impair the Lessor's security or increase the credit risk involved, then and in that event the Lessor shall have the right to: (1) retake immediate possession of its equipment without any Court Order or other process of law and for such purpose the Lessor may enter upon any premises where said equipment may be and may remove the same therefrom with or without notice of its intention to do same, without being liable to any suit or action or other proceeding by the Lessee; Lessor may, at its option, sell the equipment at public or private sale for cash or on credit and may become the purchaser at such sale. The Lessee shall be liable for arrears of rent hereunder and under any other lease between the parties, if any; for any other charges due from Lessee hereunder and under any other lease between the parties; for the expense of retaking possession, and the removal of the equipment; and court costs, in addition to the balance of the rentals provided for herein, or in any renewal hereof, as well as for the balance of rentals due and to become due under any other lease between the parties, less the net proceeds of the sale of said equipment, after deducting all costs of taking, storage, repair and sale, and/or (2) accelerate the balance of rentals payable hereunder and under any other lease between the parties, thereby requiring prepayment of this lease and any other lease between the parties with all such rentals and charges due and payable forthwith upon such notice of acceleration and demand for payment, the Lessee nevertheless remaining and being liable for the return of the equipment and any loss or destruction of, or injury to, the equipment in the same manner as herein provided. The foregoing rights shall be in addition to and in limitation of the rights of a Secured Party, as set forth in the Uniform Commercial Code of the applicable jurisdiction. Should Lessee fail to make such payment after this notice and demand, Lessor shall be entitled to institute appropriate legal proceedings against Lessee with the Lessee being responsible for said rentals, charges, expenses and attorney fees in an amount equal to twenty percent (20%) of said balance of rentals, charges and expenses due at the time it is placed with an attorney, if allowed by law. In the event Lessor shall exercise any of its rights as above set forth, Lessee shall be obligated to pay, as interest, a sum equal to one and one-half percent (1½%) per month, or any part thereof, on the aggregate unpaid rental payments due hereunder or under any other lease in default by reason hereof or otherwise, or until all arrears of rent are satisfied, provided said interest payments are allowed by law, and if not allowed by law, the maximum rate of interest permissible in the applicable jurisdiction. The rights granted the Lessor herein shall be cumulative and an act taken upon one shall not be deemed to constitute an election or waiver of the other right of action to which Lessor may be entitled. All sums due as herein above stated shall become immediately due and payable to be construed as liquidated damages rather than a penalty provisions. Lessee hereby waives trial by jury.

12. In the event payment is not made when due hereunder and remains unpaid for a period of 15 days, and Lessor has not exercised its rights pursuant to Paragraph 11 hereof, the Lessee promises to pay (1) a late charge to the Lessor or its assigns not later than one month thereafter, in an amount calculated at the rate of five cents per $1.00 of each such delayed payment (2) interest to the Lessor upon each such delayed payment calculated at the rate of one and one-half (1½%) per cent per month, or any part thereof, commencing one month after the due date of the first delayed payment. The late charge and/or the interest payments set forth in this paragraph shall apply only when permitted by law and, if not permitted by law, the late charge and/or interest payment shall be calculated at the maximum rate permissible in the applicable jurisdiction.

13. The omission by the Lessor at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants or provisions hereof by the Lessee at any time designated, shall not be a waiver of any such default or right to which the Lessor is entitled, nor shall it in any way affect the right of the Lessor to enforce such provisions thereafter. The Lessor may exercise all remedies simultaneously, pursuant to the terms hereof, and any such action shall not operate to release the Lessee until the full amount of the rentals due and to become due and all other sums to be paid hereunder have been paid.

14. If the equipment or the Lessee is located in the States of California, Florida or Texas this lease, at the option of Lessor, is performable and payable in the City of Beverly Hills, California, Dade County, Florida or Dallas County, Texas respectively, and in the event that suit is brought to enforce the terms hereof the parties hereto agree that any court of competent jurisdiction situated in the aforesaid cities, counties and states shall have venue of such action; otherwise the parties agree that the interpretation and legal effect of this lease shall be governed by the laws of the State of New York.

Furnace Branch Road, Glen Burnie, Anne Arundel County, Maryland 21061 (hereinafter referred to as "Transferee"). Pursuant to the requirements of the Contract, Transferor and Transferee desire to procure the consent of Holder to said sale and transfer to Transferee of Transferor's right, title, interest and equity in and with respect to the Property.

Accordingly, and for good and valuable consideration, the receipt of which is hereby acknowledged, Transferor hereby and by these presents does grant and convey unto Transferee, his or its heirs, executors, administrators and assigns, all of Transferor's right, title and interest in and to the Property, to have and to hold the same unto Transferee, his or its heirs, executors, administrators and assigns forever, subject, however, to the Contract and all of the terms, conditions and provisions thereof, and upon the condition that the appended Form of Consent to such sale is executed by Holder.

To induce Holder to execute and deliver the appended Form of Consent to such sale and in consideration of its so doing, Transferor and Transferee hereby promise and bind themselves jointly and severally to pay the sum remaining unpaid as above stated with any interest to Holder, its successors and assigns. Transferee hereby unconditionally assumes, becomes a party to and agrees to perform and pay the Contract and Note, as though Transferee were to all intents and purposes the purchaser or lessee named in the Contract and the maker of the Note. Transferee agrees not to assert against Holder any defense, setoff, recoupment claim or counterclaim which he or it might have against Transferor arising from the aforesaid sale or otherwise. Transferor is in no way released from the Contract and Note, but shall remain and continue fully liable thereon until the full performance and payment thereof, notwithstanding any agreements, extensions, compromises or arrangements whatsoever which may be made by Holder with Transferee or any other party thereto. Transferor and Transferee both acknowledge and agree that Transferee has acquired the Property, subject to the interest of Holder in same, and that Transferor, pursuant to the Contract, granted a security interest in all equipment, inventory and goods, which shall continue in full force and effect in same until payment in full of all obligations of Transferee and Transferor to Holder, and to further secure payment of its obligations, Transferee grants to Holder a security interest in all equipment, inventory, goods and property of every kind now owned and/or hereafter acquired by Transferee. The Property is now located at 301 W. Furnace Branch Road, Glen Burnie, Anne Arundel County, Md. 21061

2. The term "Mortgage Obligations" as used herein shall mean and include any and all loans, advances, payments, extensions of credit, endorsement, guaranties, benefits and financial accommodations heretofore or hereafter made, granted or extended by Mortgagee or which Mortgagee has or will become obligated to make, grant or extend to or for the account of Mortgagor, and any and all interest, commissions, obligations, liabilities, indebtedness, charges and expenses heretofore or hereafter chargeable against Mortgagor by Mortgagee or owing by Mortgagor to Mortgagee or upon which Mortgagor may be or have become liable as endorser or guarantor, and any and all renewals or extensions of any of the foregoing, no matter how or when arising and whether under any present or future agreement or instrument between Mortgagor and Mortgagee or otherwise, including, without limitation, any and all obligations and/or indebtedness of any and every kind arising out of one or more conditional sale contracts, equipment lease agreements, notes, security agreements, trust receipts and/or bailment agreements, and the amount due upon any notes or other obligations given to or received by Mortgagee for or on account of any of the foregoing, and the performance and fulfillment by Mortgagor of all the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage and in any note or notes secured hereby and in any present or future agreement or instrument between Mortgagor and Mortgagee.

3. Mortgagor covenants and agrees with and warrants to Mortgagee that the Mortgaged Property described in the annexed Schedule A is in the possession of Mortgagor at its principal place of business (which is Mortgagor's address shown above), unless a different location is specifically shown on said Schedule A for any one or more items, that all of the Mortgage Obligations are acknowledged and declared to be secured by this Mortgage and that Mortgagor will fully and faithfully pay, perform and fulfill all of the Mortgage Obligations, with late charges thereon from and after maturity, whether by acceleration or otherwise, at the rate of 1/15 of 1% per day except where such rate is in excess of the maximum permitted by applicable law, in which event the rate shall be such maximum lawful rate. Mortgagor further covenants and agrees with and warrants to Mortgagee that:

(a) Mortgagor is the lawful owner of the Mortgaged Property and has the sole right and lawful authority to make this Mortgage, the Mortgaged Property and every part thereof is free and clear of all liens and encumbrances of every kind, nature and description (except any held by Mortgagee), and Mortgagor will warrant and defend the Mortgaged Property against all claims and demands of all persons.

(b) Mortgagor will keep the Mortgaged Property free and clear of all attachments, levies, taxes, liens and encumbrances of every kind, nature and description. Mortgagor, at its own cost and expense, will maintain and keep the Mortgaged Property in a good state of repair, will not waste nor abuse nor destroy the same or any part thereof and will not be negligent in the care and use thereof, and Mortgagor will not sell, assign, mortgage, lease, pledge or otherwise dispose of the Mortgaged Property without the prior written consent of Mortgagee. Mortgagee is hereby authorized to file one or more financing statements and/or a reproduction hereof as a financing statement.

(c) Mortgagor will insure the Mortgaged Property in the name of Mortgagee against loss or damage by fire and extended coverage perils, theft, burglary, pilferage, and also, where requested by Mortgagee, against other hazards, with companies, in amounts and under policies acceptable to Mortgagee, the proceeds to be payable to Mortgagee, and all premiums thereon shall be paid by Mortgagor and the policies assigned and delivered to Mortgagee. Mortgagor hereby irrevocably appoints Mortgagee as Mortgagor's Attorney-in-Fact to make claim for, receive payment of and execute and endorse all documents, checks or drafts received in payment for any loss or damage under any of said insurance policies and to execute any documents or statements referred to herein.

(d) Mortgagor will not remove the Mortgaged Property from its present location without the prior written consent of Mortgagee nor change its present business locations without at least thirty days' prior written notice to Mortgagee and at all times will allow Mortgagee or its representatives free access to and right of inspection of the Mortgaged Property, which shall remain personalty and not become part of any realty, and nothing shall prevent Mortgagee from removing same or so much thereof as Mortgagee, in its sole discretion, may determine, from any premises to which it may be attached and/or upon which it may be located upon breach of this Mortgage, Mortgagor agreeing to deliver to Mortgagee appropriate waivers, satisfactory to Mortgagee, of owners and/or mortgagees of any such premises.

(e) Mortgagor shall comply (so far as may be necessary to protect the Mortgaged Property and the lien of this Mortgage thereon) with all of the terms and conditions of leases covering the premises wherein the Mortgaged Property is located and with any orders, ordinances, laws or statutes of any city, state or other governmental department having jurisdiction with respect to the premises or the conduct of business thereon, and, where requested by Mortgagee, will correct any informalities or execute any written instruments and do any other acts necessary to more fully effectuate the purposes and provisions of this instrument.

(f) Mortgagor will indemnify and save Mortgagee harmless from all loss, costs, damage, liability or expense including reasonable attorneys' fees that Mortgagee may sustain or incur to obtain or enforce payment, performance or fulfillment of any of the Mortgage Obligations or in the enforcement or foreclosure of this Mortgage or in the prosecution or defense of any action or proceeding either against Mortgagor or against Mortgagee concerning any matter growing out of or connected with this Mortgage and/or any of the Mortgage Obligations and/or any of the Mortgaged Property.

(g) If Mortgagor is a corporation, the execution of this Mortgage has been duly consented to and authorized by all of the stockholders of Mortgagor and duly authorized by its Board of Directors. Mortgagor agrees to deliver to Mortgagee evidence thereof satisfactory to Mortgagee immediately upon request.

4. If Mortgagor shall default in the performance or fulfillment of any of the terms, conditions, promises, covenants, provisions and warranties on Mortgagor's part to be performed or fulfilled under or pursuant to this Mortgage, Mortgagee may, at its option, without waiving its right to enforce this Mortgage according to its terms, immediately or at any time thereafter, and without notice to or demand upon Mortgagor, perform or fulfill the same, or cause the performance or the fulfillment of the same, for the account and at the sole cost and expense of Mortgagor, and the cost and expense thereof (including reasonable attorneys' fees) shall be a lien on the Mortgaged Property, added to the amount of the Mortgage Obligations, and shall be payable on demand with interest at the rate specified in Paragraph 3 hereof. This Mortgage may be assigned along with any and all Mortgage Obligations without notice to Mortgagor and upon such assignment Mortgagor agrees not to assert against any assignee hereof any defense, set-off, recoupment, claim, counterclaim or cross complaint which Mortgagor may have against Mortgagee, whether arising hereunder or otherwise, and such assignee shall be entitled to at least the same rights as Mortgagor. Mortgagor hereby designates and appoints Stuart B. Glover, Esq., 530 Fifth Avenue, New York, New York and C.A. Credit Corp., New York, New York or either of them as Mortgagor's true and lawful Attorney-in-Fact and agent for Mortgagor and in Mortgagor's name, place and stead to accept service of any process within the State of New York, Mortgagee agreeing to notify Mortgagor at Mortgagor's address, as shown herein, by certified mail within three (3) days of such service having been effected and Mortgagor and Mortgagee hereby specifically agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder and with respect to the Mortgage Obligations. At Mortgagee's request Mortgagor will furnish current financial statement satisfactory to Mortgagee in form, preparation and content.

5. If Mortgagor shall default in the prompt payment, performance or fulfillment of any of the Mortgage Obligations, or if Mortgagor shall cease doing business, or shall become insolvent, or make an assignment for the benefit of creditors, or if bankruptcy proceedings or proceedings for arrangement or reorganization under any Bankruptcy Act or proceedings for the appointment of a receiver, trustee, liquidator, or custodian for Mortgagor or any of Mortgagor's property shall be commenced by or against Mortgagor, or if Mortgagor shall fail punctually and faithfully to fulfill, observe or perform any of the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage or in any present or future agreement or instrument between Mortgagor and Mortgagee, or if any of the warranties, covenants or representations made to Mortgagee be or become untrue or incorrect in any adverse respect, or if there shall be a change in the management, operations, ownership of its stock or control of Mortgagor, or if Mortgagee at any time deems the security afforded by this Mortgage unsafe, inadequate or at any risk, then in any such event all Mortgage Obligations shall at once, at the option of Mortgagee, become immediately due and payable without notice to Mortgagor, and in such event it shall be lawful for Mortgagee to take possession of the Mortgaged Property at any time, wherever it may be, and to enter any of the premises of Mortgagor with or without process of law, and search for, take possession of, remove or keep and store the same in said premises, without liability for trespass nor charge for storage of the Mortgaged Property, until sold, and to sell the Mortgaged Property or any part thereof and all of Mortgagor's equity of redemption therein at public or private sale, without notice or advertisement, such notice or advertisement being expressly waived by Mortgagor, for cash or on credit, and on such terms as Mortgagee may in its sole discretion elect in such county and at such places as Mortgagee may elect and without having the Mortgaged Property at the place of sale. Mortgagee may bid or become the purchaser at any such sale and Mortgagor waives any and all rights of redemption from any such sale. The proceeds of any sale shall be applied first to pay all costs, expenses and charges for pursuing, searching, taking, removing, keeping, advertising, and selling the Mortgaged Property, including attorneys' fees equal to 20% of the unpaid Mortgage Obligations, and second to the payment, partly or entirely, of any of the Mortgage Obligations as Mortgagee may in its sole discretion elect, returning the overplus if any to Mortgagor, who shall remain liable to Mortgagee for any deficiency, and Mortgagor hereby irrevocably consents to the appointment of a receiver for the Mortgaged Property and/or all other property of Mortgagor, and of the rents, issues and profits thereof, after such sale and such receivership may continue until such deficiency is satisfied in full. Mortgagor expressly waives any right to notice or hearing in any action to recover possession of any or all of the Mortgaged Property. In any action in the nature of replevin or sequestration, Mortgagor agrees that if it contests such action it will post a bond written by a national insurance company authorized to execute such bonds in the state or territory of such proceedings, such bond to be no less than the value of the subject matter of such replevin or the unpaid balance then owing to Mortgagee, whichever be less. Mortgagor hereby irrevocably authorizes any attorney of any court of record to appear for and confess one or more judgments against Mortgagor (except in any jurisdiction where such action is not permitted by law) for all unpaid balances due under the Mortgage Obligations, any other monies due hereunder and any deficiency, without stay of execution, and waive the issue of process, all right of appeal and relief from any and all appraisement, stay or exemption laws then in force. Any notices relating hereto shall be in writing and delivered in person to an officer of the party to whom addressed or mailed by certified mail to such party at its address specified herein or at such other address as may hereafter be specified by like notice by either party to the other. Reasonable notification hereunder shall be any notification given or sent at least five (5) days prior to the event for which such notification is sent. Mortgagor and Mortgagee hereby waive any and all rights to a trial by jury in any action or proceeding based hereon or arising hereunder or any counterclaims, cross-claims, set-offs or recoupment claims whatsoever.

6. Mortgagee may at any time, with or without exercising any of the rights or remedies aforesaid and without prior notice or demand to Mortgagor, appropriate and apply toward the payment of the Mortgage Obligations any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Mortgagee's hands and belonging or owing to Mortgagor, and for such purposes, endorse the name of Mortgagor on any such instrument made payable to Mortgagor for deposit, discount or collection. Such applications may be made or any monies paid to Mortgagee may be applied without notice to Mortgagor, partly or entirely to any of the Mortgage Obligations as Mortgagee in its sole discretion may elect. In its sole discretion, Mortgagee may apply and/or change applications of any sums paid and/or to be paid by or for Mortgagor under any circumstances to any obligations of Mortgagor to Mortgagee, presently existing or otherwise. The interest rates which may be provided for in any instrument evidencing one or more Mortgage Obligations are and/or may be related to the New York City

banks' prime money rate in effect on the date of Mortgagor's request of Mortgagee with respect to the particular Mortgage Obligation involved and if thereafter there be one or more increases or decreases in said prime rate, the aforesaid interest rates shall each be increased (or decreased respectively) on the effective date of any such change in prime rate to the extent of .30% for each .25% change in the prime rate, however, in no event shall any interest rate be less than any stated in the instrument evidencing any Mortgage Obligation nor shall such rate ever be more than any maximum permitted by applicable law.

7. If, after default by Mortgagor in the payment, performance or fulfillment of any of the Mortgage Obligations or of the entire unpaid amount of the Mortgage Obligations after the same become or are declared due and payable, Mortgagee fails to demand full payment, performance or fulfillment or otherwise to proceed, such failure shall not be deemed a waiver of the rights of Mortgagee to make subsequent demands for the immediate payment of the entire unpaid amount of the Mortgage Obligations, or to take immediate possession of the Mortgaged Property, or to foreclose at any time this Mortgage, or to demand full performance or fulfillment, or otherwise to proceed, and the acceptance by Mortgagee of any payments subsequent to such default shall not be deemed a waiver of any rights of Mortgagee. No delay or failure on the part of Mortgagee in exercising any right, privilege, remedy or option hereunder shall operate as a waiver of such or of any other right, privilege, remedy or option, and no waiver whatever shall be valid unless in writing, signed by an officer of Mortgagee and then only to the extent therein set forth. This Mortgage cannot be changed or terminated orally. The books and records of Mortgagee containing entries with respect to the Mortgage Obligations shall be admissible in evidence in any action or proceeding, shall be binding upon Mortgagor for the purpose of establishing the items therein set forth and shall constitute prima facie proof thereof. Mortgagee shall have the right to enforce any one or more remedies available to it successively, alternately or concurrently. Only a writing, signed by an officer of Mortgagee, shall be effective, but only to the extent therein specifically set forth, to change, modify or terminate any Mortgage Obligation, this Mortgage or any other agreement between Mortgagor and Mortgagee.

8. All of the rights, remedies, options, privileges and elections given to Mortgagee hereunder shall enure to the benefit of Mortgagee, any transferee or holder of this Mortgage, and their respective successors and assigns, and all the terms, conditions, promises, covenants, provisions and warranties of this Mortgage shall enure to the benefit of and shall bind the representatives, successors and assigns of the respective parties. Any and all security interests granted to Mortgagee shall attach to any and all proceeds and products. Each person signing this Mortgage warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the unpaid balance of the Mortgage Obligations in the event of the breach of the above provision and/or in the event Mortgagor fails to pay its obligations in full to Mortgagee immediately upon the sale, transfer, assignment or conversion of any of the Mortgaged Property and agrees that upon the request of Mortgagee after any default to segregate and hold all or any part of the Mortgaged Property in a fiduciary capacity and to adequately maintain service and insure said property and to protect same from use and/or abuse, all without charge to Mortgagee, such fiduciary duty to terminate only upon the actual delivery of the Mortgaged Property to Mortgagee. Mortgagor, recognizing that in the event of default no remedy at law would provide adequate relief to Mortgagee, agrees that Mortgagee shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damages.

9. Some of the Mortgaged Property may be in the hands of Mortgagor under one or more security agreements which are or may be held by Mortgagee and with respect to such Mortgaged Property, this Mortgage is only of any equity that Mortgagor may now or in the future have in such Mortgaged Property and Mortgagee by accepting this Mortgage shall not in any manner be considered as having waived any security interest arising independently of this Mortgage nor shall this Mortgage be construed as adversely affecting any rights of Mortgagee under any other security agreement nor as a waiver of any of the terms and provisions of any other security agreement, guaranty or endorsement, all of which shall remain and continue in full force and effect.

10. Intending that each and every provision of this Mortgage be fully effective and enforceable according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state where the Mortgaged Property may be located or the residence or principal place of business of Mortgagor or Mortgagee, whichever renders each such provision effective. However, if any one or more provisions hereof are in conflict with any statute or law and therefore not valid or enforceable, then each such provision shall be deemed null and void but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof.

IN WITNESS WHEREOF, Mortgagor has caused these presents to be duly executed, the day and year first above written.
