The following records constitute the archives of St. Peter's Roman Catholic Church, Waldorf, Charles County, Maryland. Before 1869 it was known as St. Ignatius Church, Upper Zachiah. A congregation(s) existed in the area as early as 1700. Father John P. Donelan wrote in 1852 that St. Ignatius had congregations at Piscataway and Reeves. These records are titled as well as can be at time of filming (Dec. 1975) but history of the church is by no means complete. For instance the date given in first register say from 1817-1852 the church was known as Upper Zachiah, from 1852-1869 it was St. Ignatius, Upper Zachiah. By 1817 it was St. Peter's.

 Church as nearly as possible - By calling
 them in some cases the what the
 people - The one I had now will soon
 be completed on the same time - The
 foundation was laid in 1815 - The
 walls - From four feet at the
 bottom to six feet at the top. I
 finished it during the last week of
 August - I finished my building
 in the month of - Acc^d show how perfect
 all this work & cost \$3 100 - It is
 a perfect work with the least of the
 work to be done - but it will be
 finished in time -

Arrived at Mr Brown's Saturday 1st Dec. at
 11 A.M. the death of Miss Virginia Ekin of P. G. Co. will
 call me away from Monday I then went
 on Saturday at the confession - and I have
 not the 21st - but was under the stone - I saw
 a stone of a fine stone in the church - but found a
 very good stone - after a very long search this day
 was sent to the church - I saw a very fine
 stone - I must not miss any - and I saw
 the better get through with this day.

Nov. 21 1833. There was many a fine service my
 entrance was made on this day. May the change
 many the ups and downs since then! Some
 have gone to eternity - Some to distant places -
 Some shine and others in the usual world
 as material world - The old Chapel has
 undergone a complete transformation - The

Grave Yard has been cleared up the fence erected, walls
 made & the Calvary placed in its midst - Beneath the
 shadow of the Cross the slumbering dead repose in
 a cemetery - I hope it may be - yet I do not see
 its appearance as well as its nature - It was
 shown & digging to witness the cheerful plants with which
 old & young turned out to labor in person in these
 changes & improvements. The young men gave a lovely
 example of faith, love, and grateful remembrance
 of their departed parents, relatives & friends. May God
 reward their faith!

The summer has been long & very especially
 warm. The storm in the Church was purchased a last
 winter - but was never sold - A few weeks
 ago I had it again put up - but it was not
 until - During the year there have been but a few
 sick calls in this parish - but the calls from
 George made up for it - It was a deadly season then
 many of our best citizens fell - Often have I been called
 to that Parish, Piscataway, the moment I had reached
 my door - and still others on the road here -
 On the 9th August I left here for Piscataway - It was
 last visit I made for three months - Arrived down by
 ferry I was on the brink of eternity both in that village and in
 Washington - During my illness Father Clarke, a Dominican
 kindly visited his parish twice - On my return I spoke of
 the bells given near the Church - It was purchased for two
 hundred dollars of Henry Keger, Balto - a cheap purchase -
 On Henry Keger's visit - Times, with Mrs. Keger sent their
 to our feet to the Perry Magman on Sunday Nov. 6th on
 Monday 7th - It was put up here on the 20th tried for the
 first time - We were charmed. Miss Mary Lane's music
 is the kind & generous friend. I am still edified by
 all I see & hear - How can we how earnestly should
 not the pastor preach on you, labor for your salvation!

It needs not one to guide you - to give you good
 example - but you are ready to follow - may you
 be outstrip him in the path to Heaven! So let me
 live but at the head of my flock - I may say with
 Jesus "I love my people" - We will show the true

April

In the beginning of this month, having gone to Washington to open the Lenten discourses at St. Patrick's, I caught a fever which resulted in a severe illness that lasted about a month and the consequence of which was that I was obliged to obtain leave of absence for a month. While I was away from home, Rev. Ed. Southgate of Bryantown kindly took my place.

24.

I returned home today, and, having no housekeeper, took my meals at Mr. Sylvester Mudd's for several days. This family was very kind to me.

27.

I persuaded Mrs. Murray to keep house for me, but her health is very bad.

29.

Sunday. We had a large congregation. I preached on sin.

In the month of April several sets of vestments were sent to this place and Woodville by the Tabernacle Society of Baltimore - Blessed the vestments.
