Feb.
before and the Committee.

Cap^t Boarman as a messenger to this house to Know the sussequehannoughs a place at the head of Patomeke a dayes Journey above the falls, or to remaine where they are or Else where.

The Act for Regulating Clerkes fees read and passed.

Committee came in and the Indian busines debated.

Voted this house thinke it Convenient that the Gou^rno^r apointe the said Indians a place a day two or three dayes Journey above the falls of Patomeke, to Remaine their During his pleasure.

The votes of the two howses in October 1671 touching officers pay being drawn out the Journal to be sent to the upp house in the afternoone, member of this house, to Know if the upp house are of the same they were then, if so that it may be incerted in the Law to Emppo Gou^rno^r and Council to lay the Leavy one year to Defray the Charge of the warre.

An Act for such persons who in Conscience are not free to sweare in cases of and Adm^{rs} Read, and passed.

M^r Chew from house with a pap (vizt)

Upp house of Assembly 18th day of february.

Some of the greates of the sussequehannoughs were this day admitted into this house, and being asked their busines they desired to Know what parte of the Province should for the future be allotted for them to Occupy but before this house will retorne them an answer it is thought fit

Voted that the Gou^rno^r of the Province of Patomeke to the former vote

Came M^r Taylor of the Province of Patomeke this year the other Indian Province with a and the next year Province.

It is the opinion that should the Sussequehannough amongst the Respective freind Indian Nation it may be of consequence to the Province in gen^rall.

First. That their living amongst them would them so to their owne future Designes, that it will inevitably prove prejudicial to the Province in gen^rall.

Secondly. This house hath reason to suspect that the designe of the Sussequehannoughs in coming amongst the English and Claming the p^rtecc^on from them may be out of
