31th October 1678: howse called all
as before

This howse being altogether dissatisfyed with the managem^t
of the Trust of the 100 Acres of land, having not now left Three
or foure acres thereof to the Countryes necessary use have
voted that this howse Request the upp howse to let us Know
whether wee have any Right or Title to the sd 100 Acres of
land at st Maryes comonly called the Countryes land from the
purchase made about the yeare 1663 or not if a Right, why at
this time denyed three or foure acres to be layd out for the
p^rsent use of the State howse, if no Right by what meanes &
when lost if never any good Title what is become of the pur-
chase money & Interest, fa desiring since wee can
procure no Record Relating to the p^rmisses to the Clea
thereof nor of his Lo^{pps} Charter lately desired to let this howse
know assurance wee may more confidently expect a
safe other purchase matter or thing tending to the
Interest & benefit of Country.

Majo^r Weekes atton & M^r ffrisby sent with the said
message Retorne.

Came the Surv^r Coursey from the upp howse with
the Act of Naturalization this message (vizt)
Upp howse mbly October the 31th 1678.

The within message from er howse being read and
Considered of by this howse they doe in answere thereunto
say that his hono^r the Gou^rno^r hath not power to enlarge or
alter sions of the County Courts more then what they
out of this Province.
