

U. H. Journal
1659-98

Upper house 10th November 1682

This house think 3000^l of Tobacco in the whole may be a reasonable Allowance and referr the Same to the Committee of Accounts—

Signed p^r Order J LL Clk of Assembly.

Thomas Casey of Charles County being Lamed at the Susquehannah Fort Petitions for Allowance of his Pension formerly granted him which Petition was Subscribed (Viz^t)

Upper house November the 10th 1682

Lett the Petitioner be Allowed as formerly

Signed p^r Order J LL Clk of Assembly—

p. 468 Both the foregoing Petitions Delivered to Coll Thomas Tailler who is Sent out to the Committee of Accounts

Upper house 10th November 1682.

This house having Delivered to Jacob Young a Copy of the Impeachment Drawn up against him by the Lower house, do desire to know which Members of the Lower house are appointed to Manage that Charge that to Morrow this house may Call before them the said Jacob

Signed p^r Order I LL Clerk of Assembly—

Came M^r Robert Carvile from the Lower house with a Bill Entituled an Act Lycencing the Inhabitants and Prohibiting Foreigners to trade with the Indians which he says the Lower house are willing Should pass to Engrossment, Provided this house think fitt to repeale an Act touching Indians in the Book of Laws fol 10,

Answered that the latter Clause of the said Act Prohibiting the Delivery of Guns &c: to the Indians may be repealed but as to the other part of that Act it requires Some Consideration—He saith he hath no further Commission in that Particular but desires to know when this house will proceed to the tryall of Jacob Young—

This house will send Answer by a Member of their own

He returns to the Lower house

The above Message of this house Concerning Jacob Young Sent to the Lower house p^r Coll Lowe—

Ordered that the Bill Licencing the Inhabitants and Prohibiting Foreigners to trade with the Indians be new drawn up with Amendments—

Coll Lowe returns from the Lower house

A Message from the Lower house by M^r Bartholomew Ennalls which he Delivers in writing and returns being as foll (Viz^t)
