

L. H. Journal
Original. in a Town persuiant to Act may have his owne Tobacco shut out by the first comers be made lyable to secure their Tobaccoes Enough to set Inhabitants together by the Eares—

7^{thly} It appeares vp the whole That notwithstanding it is intended That noe plan may dispose of his Tobacco at home as heretofore Vsed vnder the penalty of forfeiting it yet there is noe reasonable way laid downe he shall be enabled to bring it to the Towne or house and secure it when brought there—

8^{thly} That the Delegates for the severall Counties without having first well Considered and advised Vpon it in their Counties cannot take Vpon them to Advise his Lor^{pp} to pitch Vpon a certaine place for Townes & ports as aforesaid—

The Message—Lower house 9. No: 1682.

In Answer to the last message relating to the bill for Advancement of trade this house doth say That the severall alteracōns amendments & Queries brought in by the Committee
p. 30 were never voted by this house Conceaa
too Generall and Vndigested put to
Yet out of Respect to (as
Resolved to give it a Comi
wee then thought
moved that some
that Committee to
both houses the bill well
respecting the Ea as
the honor of the fter for many
dayes spent there vpon as (to the
publique cost, that severall & amendm^{ts}
were still wanting That
by a third Comitment spent
without making sufficient for
a designe of this weight & delay
can be noe wayes tollerable house rather
chose (then a bill soe much desired should be
rejected, to deferr it vntill house being
still firmly Resolved To stand Vote of this house—
Yesterday sent to the Vpper house by M^r Hutchings and D^r
Brooke— signed p ord^r Tho: Grunwin—
Clk of Lower house—

Coll Stevens from the Vpper house with another Bill for lycencing the Jnhabitants and prohibiting forreigners to trade with Jndians & with this Message relating therevnto—
