Memorandum of Smith's Case.

16<sup>th</sup> Dec<sup>er</sup> 1689.

Richard Smith Jun<sup>r</sup> of Calvert County in the Province of Maryland being Cap<sup>t</sup> of a company of Foote, and having Order come from the honourable his Lōpps Council the then Governor of this Province Imediately to raise his Company to aid and assist in defence of the Government, peace and welfare of this Province, for th<sup>t</sup> Cap<sup>t</sup> John Coode, Major Cambell and divers others were in Armes, intending to suppress the Govern<sup>mt</sup> and the better to carry on their designs, caused a false report to be spread abroard that the papists had combined with the Northern Indians to destroy all Protestants, which soe incensed the people before the said Smith could gett his Company together had certain intelligence the state
