

Right trusty and welbeloved Charles Lord Baltmore hath by ^{Liber K.} his humble Petition represented unto Us, that he has not received any Benefit of Our Royal Letter of the first of February 1689 nor of an Order of Council of the 26th of february 1690 both which gave him Liberty by his Agents in Maryland to collect his Revenues and Duties there, that he is informed from his Agents there, that by Reason of their long Confinements and other hardships in that Province, they were rendered altogether incapable of acting for him, whereby he has received no Returns from thence this last shiping; We have thought fit upon Consideration thereof, and at the humble Request of the said Charles Lord Baltmore hereby to signify Our Will and Pleasure to You, that You do take Care and give strict Orders as there shall be Occasion, that Henry Darnall Gent who for several Years has been the Petitioners Agent and Receiver in Maryland, as also such Person or Persons as the said Henry Darnall shall appoint may be permitted to live peaceably, and quietly, and to act as formerly in receiving the said Charles Lord Baltmores Dues & Revenues in that Province, and Our further Pleasure is that No Ships or Vessels be cleared in Maryland before the said Lord Baltmore's Agent and Receiver General shall have received his Dues from the Shiping there, they behaving themselves peaceably, and with due Submission to Our Government, And for ^{p. 11} so doing this shall be your Warrant And so We bid You farewell Given at Our Court at Whitehall the 12th Day of November 1691 in the third Year of Our Reign
