The inclosed is an Order on the Treasurer of the Eastern Shore for the sum of £52. 0. 2 for Expences incurred as appears by your Account transmitted us in equipping Cap^t James Kent's Minute Company for their Expedition to Accomack and Northhampton Counties in Virginia; and as the several Articles furnished now belong to the Province we desire you will receive them into your Possession upon the Return of the Company and take proper Care of them. We are sorry it is not in our Power to compensate M^r James Brown, who at the Request of Cap^t Kent attended his Company in the capacities of Physician and Surgeon, however we assure you we will represent the Matter to the next Convention and do not doubt they will take it into Consideration and as the Measure was expedient, make an adequate Satisfaction for his Trouble and Services.
