Sir,

Your Favour of the 16<sup>th</sup> Instant relative to the Payment of Paper-Money for the Specie you had collected in Pursuance of our Order to Mess<sup>rs</sup> Ennalls, Murray and Steel was delivered us by Capt. Woolford. The Council has some time past given general Orders to the Treasurers of the Western & Eastern Shores to pay out of the Treasury Bills of Credit for any Sums that should be delivered them in Gold or Silver; you will therefore apply to the Treasurer of the Eastern Shore for Payment of Paper-Money for what Specie you may deliver him.

[Council to Veazey.]

No. 72.

To Col<sup>o</sup> John Veazey

Sir,

In Consequence of a Letter we received from M<sup>r</sup> Thompson of 14<sup>th</sup> of last Month advising us of the Importation of 8 Tons of Gun-Powder in Delaware by Cap<sup>t</sup> Nathaniel Rumsey; and that he had engaged to supply your County with one Ton of it; we wrote you immediately requesting you would secure the whole for the Use of this Province and transmitted by Capt. Craig the sum of £500 for the Ton engaged; but as we have since understood none of the Powder was to be had we desire you will return the Money by the first safe Conveyance and hope you will excuse our taking this Liberty with you; as we are not yet furnished with the Plates and Paper for the new Emission and Drafts come in every Day upon our Treasury which is reduced very low.
