No. 1                      Petition of Patrick Graham.      C. J.<sup>2</sup>

To the Honorable the Deputies for Maryland met in Convention at Annapolis.

The humble Petition of Patrick Graham of Port Tobacco in Charles County sheweth, that some time ago he very justly incurred the displeasure and resentment of the County & the censure of the Committee of Charles County for a breach of the Resolves of the Honourable Continental Congress, by aiding a certain John Bailie secretly to land and dispose of sundry goods imported by him contrary to these Resolves; Your Petitioner sincerely laments his imprudence & ill conduct, & being deeply sensible of his offence, with contrition for the same, and his most solemn promise & assurance never more to do, or encourage any thing inimical to American Freedom, he most humbly solicits this Convention, that he may be restored to his former rights of a Citizen, as he has already suffered greatly, not only in his own Person, Property and reputation, but should he continue much longer in the present situation, his Offence must reduce an innocent wife & four young children to beggary & ruin.

We the Subscribers being satisfied of the hearty repentance of Patrick Graham set forth in the above Petition, do recommend him to the consideration & clemency of the Honorable Convention.
