Baltimore 29th August 1776.

Gentlemen. I was requested by Cap^t Nicholson to procure a vessel to go to James River for a load of coal. I have accordingly for that purpose made a verbal agreement with Cap^t Johnson of the schooner Sally & Polly; he says she will carry about 2000 Bushells of grain, if so, he is to receive twenty five shillings per day, he victualling & manning her. I have referred him to you for orders. Cap^t Nicholson also sent down the 27th Ins^t two other small vessels at 12/6 p^r day each with the schooner Revolution.

I am Gentlemen with the greatest respect,
Y^r Hble Serv^t
James B. Morris.
