Hon^d Sir. When I was last at Annapolis Melcher Keener and myself made the Hon^{ble} Council of Safety, an offer to serve them, in the purchase of produce here, but since then we have not had the pleasure of hearing from the Honble Council, do suppose they are otherways engaged. I have a schooner on hand which, by a resolve of our committee sometime ago, I am not allowed to load on my own account, have resolved to sell her, and should you still be in want of vessells, may have her if you please. She will carry 700 Barrells or upwards, she will want some repairs. The price as she lies is 450^l.

I remain respectfully your most obed^t Humb. Serv^t
James Clarke
