

[R. Harris to Council.]

C. S. C.

Philadelphia 9th Nov. 1776.

Hon^{ble} Sirs.

I arrived here the 2nd Inst. with 76 Privates, a return of my company stores, & the state of our Guns I deliv^d the Board of War, and beg^d that those wanting repairs might be sent to the Smiths for that purpose. My request was not complied with, to have marched to Camp with Guns in such order would have been folly. I therefore applied to Col^o Ramsey for money who procured me 250 Pounds.

I have taken the Liberty to Inclose my account, by which you will see there is a Balance due the Company which I beg may be sent, or an order therefore to Col^o Ramsey. I have been obliged to advance money, as the Company was in need, and unwilling to march without being paid

I am Hon^{ble} Sirs
Your most obed^t H^{le} Servant
Robert Harris.

Dr. The State of Maryland. To Rob^t Harris. F. Camp.
