An Act for Publication of all  
Laws within this Province

Forasmuch as many new Laws have been made by this present Assembly wherein the welfare of the good People of this Province is much concerned, and divers Old Laws not Sufficiently providing against the Offences by them to be Punished have been made more penall, to the end many people of this Province evilly disposed may be deterr'd from evill doing, and that notwithstanding all the Laws intend that every person in this Province is bound to take notice of what is passed in the Assembly, because every person is there present in their Representatives, Yet his Excellency the Gov<sup>r</sup> the Councill and Assembly desiring not the destruction of the very worst of People of this Province, nor that they should be overtaken by any intendment in Law in a peanal Act though not at all too Severe for the misdeeds it intends to punish, do think fitt, That it be Enacted And be it Enacted by the King and Queens most Excellent Majes<sup>ts</sup> by and with the advice and Consent of this Generall Assembly and the Authority of the same, That from hence forward all the Acts that shall Pass p. 74
