In Council Annapolis 9<sup>th</sup> May 1777.

Sir

We find on Examination, the Circumstances concerning the Money left in the Hands of the Committee are a good deal perplexed. We intend to be in Baltimore soon, and, whether we touch that Money or not, give Directions as to what may appear to us immediately necessary, a Well will certainly be so, and we desire you would hire People and have a good one finished as soon as you can. If Cap<sup>t</sup> Gailbrath nor the Commissary can give you an Account of the Stores we are desirous you should take an Account yourself of what you take into your Care, that merely delivering up the Stores may not be a Settlement of the Account of them. You will, as you propose remove them to the Point, if you judge that the safest Place.

Inclosed you have an Order to furnish you with Linen for Hunting Shirts and Overalls for the Artillery Companies in Baltimore. We have given M<sup>r</sup> Dorsey a Captain's Commission as you desire, we have not filled up the Lieutenancies as your dropping the Matter with the Recommendation of M<sup>r</sup> Dorsey makes it desirable to see you before we make any further Appointment. M<sup>r</sup> Handy who has been very strongly recommended to us, in a marching Regiment, is desirous of serving in Dorsey's Company, and we are inclined to gratify him with such Post as may be most proper in all Circumstances.

We are Sir &<sup>ca</sup>

Maj<sup>r</sup> Nathan<sup>l</sup> Smith.
