Sir,

We have a good many Musquet Locks, Musquet Barrels and unfinished Bayonets by us, belonging to the Public and want them stocked, fitted & finished we would be glad to know whether you would undertake a number of them and at what Price; if you are inclined to do so, it might save some Time in finishing the Agreement by coming down. If there's any Body else who would contract and might be depended upon, we could employ him also. We are &^{ca}
