

Lib. R. R. R.	One old broken Saddle without a padd	
	One old Axe	
	Nine Cowes that are of ffurlongs marke	.. 9
	Nine Calves of the abovesd. Cowes w ^{ch} John } Kirk marked of his the s ^d Kirkes mark }	.. 9
	One old (yett small) browne Bull	.. 1
	Two Draught Oxen	.. 2
	One Steere of 3 yeares old	.. 1
	ffour Steeres of 4 yeares old p p ^r	.. 4
	Three heifers of two yeares old p p ^r	.. 3
	One small yeareling	.. 1
	Three Steeres of 3 yeares old p p ^r	.. 3
		<hr/>
	Total N ^o of Cattle are	..33
		<hr/>

The above named goods and Cattle I have taken out of the hands of Kirk, as being part of the Estate of Edward ffurlong, In obedience to an ord^r of the hon^{ble} the Council of the Province of Maryland, and have deposited them into the hands of ffrancis Martin a pson that formerly kept the aforesaid Cattle at his plantation for Edward ffurlong, and lives but a mile from ffurlongs former habitation where the Cattle were bred by the Marishes, but the Cattle are the poorest that ever I saw at this time of yeare especially the small Cattle.

p ffrancis Jenckins Shff

Pursuant to an ord^r of this board of the 4th day of October last past returne was this day made (by the Commission^{rs} appointed to lay out for the Indians seated upon Nantecoke River the land ass^d them by his L^{sp}: of their proceedings in ascertainment the maine branch of Nantecoke River, and the bounds betweene Dorchester and Sommersett Counties according to the Teno^r of the said ord^r being as foll (viz:)

Novemb the first 1684:

In pursuance of an ord^r of Council beareing date at the City of S^t Maries the fourth day of October in the ninth yeare of the Dominion of the R^t hon^{ble} Charles &c^a Annoq Dmi. 1684: Mett at Nantecoke Coll William Stevens, Cap^t Henry Smith, M^r Bartholomew Ennalls, and M^r Charles Hutchens, being four of the persons named in the said Ord^r which were authorised impowered and appointed then to settle the bounds betweene Sommersett and Dorchester Counties, and they haveing considered & enquired into the p^rmisses, they think the branch commonly called the North East branch is the main branch of the said River, and therefore ascer-
