

from Masters of Ships trading thither in pursuance of the Act of Navigation, and that Counterfeit Certificates of Landing the Plantation Commodities in England, have been produced in discharge of some of the said Bonds, though the said Commodities were carryed directly to other parts, than England, Wales or Berwick, as also fictitious Certificates of Bonds pretended to bee given in England, Wales or Berwick, when no such Bonds have been there really given, And moreover that severall forged and Counterfeit Cocquetts alledged to bee granted in England have been accepted in Maryland, by colour whereof great quantities of European Goods have been there past as coming directly from England, Wales or Berwick, when as in truth the said Goods were Shipt and Laden elsewhere, to the manifest prejudice of Our Customes, and the Trade and Navigation of this Our Kingdome, You are therefore to cause a List of all the Bonds taken, and that shall bee taken in Maryland between Michaelmas 1679 and Michaelmas 1685 next coming, to bee forthwith transmitted to the Commissioners of Our Customes in England for the time being therein distinguishing which of the said Bonds are discharged, and which of them remain uncleared, you are also to cause to bee transmitted to Our said Commissioners all the Original Certificates which have been produced in Maryland during that time from the severall Custom houses of England; Wales or Berwick for the discharging of Bonds given in Maryland, and also the original Certificates of Bonds given or pretended to bee given in the severall Ports of this Our Kingdome, together with all the Originall Cocquetts which have been produced for European Goods shipt or pretended to bee shipt in the said Parts, keeping abstracted Lists or Accompts thereof, and taking a Receipt from the person to whom the same are delivered.

9. And whereas for the better Collection of the severall Rates and Dutyes Imposed by the said Act of the 25th year of the late King's Reigne that whole business is to bee ordered and managed, and the severall dutyes thereby imposed are to bee caused to bee Levied by the Commissioners of Our Customes in England for the time being by and under the authority and direction of Our Treasurer or Commissioners of Our Treasury for the time being, you are forthwith to require and Command such of your Officers as have taken upon them the Collection of the said Rates and Dutyes to cease any further to Act therein, And to render to the said Commissioners of Our Customes an Accompt of their Receipts and Payments since the death of the late Collector, together with an account of their seizures and other proceedings; And you are to give in charge that they do not hereafter presume to collect Our Dutyes or otherwise to concerne themselves therein
