

Liber R. former pattendes to Bohemia by leaving out Towne Point in my mapp called Cæcilton, when it is the very beginning and ending that comprehends Bohemia Manno<sup>r</sup> in its naturall bounds by Bohemia & Elk River divideing, and that the proposeall to a Towne to his old L<sup>dsp</sup> was onely by myself (then hoped for) to be erected and settled by me and my Associates for which I have his old L<sup>dsp</sup>s hand writeing under date the 18<sup>th</sup> Septemb: 61: to manifest the truth. In pursuance whereof I have petitioned his L<sup>dsp</sup> now that the s<sup>d</sup> Towne Point may not be left severed but reentred and Inserted into my new Bohemia Pattend; and if that is passed and cannot be altered, then by a Pattend by itself to me and my posterity or heyres and Assignes for the good of a towne which we shall endeavour to propagate when God shall permitt according to my first proposeall aforesaid, but I would rather have it  
 p. 308 inserted within my new Grant Bohemia Pattend if possible though I should pay twice for the writeing of it and remember you for your paines besides; when I was last at S<sup>t</sup> Maries my Sickness had Stupified my senses soe that I could then not express my self as now I see I should have done. And if his L<sup>dsp</sup> grants me and my sonn our Request as I doubt not, then there is noe other Alterations in the new Pattend to be made then (viz) [Beginning on the South Point of Bohemia and Elk River Divideing, and from thence Eastward up along the said Bohemia River neare the head to Hermans Branch by Oppouermin Landing Point, and thence up the said Eastermost Runn to the high way Road, and further along the said Road Northerly to Bohemian Back Creeke Runn from thence westerly downe unto Elk River, and Southerly downe the said Elk River to the Point on Elk and Bohemia River divideing otherwise called Towne Point or Cæcilton aforesaid; againe being thus bounded on the South by Bohemia River, East by a high way Road; North by Bohemia Back Creeke, and West by Elk River.] And the truth hereof appeared evidently in my mapp or Plott left with you in the Office for that purpose.

Pray forgett not to endorse in the Margin upon John Brownings two Certificates by George Holland Entred upon Record that it is done by a mistake and that the same Land belongs to me in little Bohemia as formerly desired to prevent further Erro<sup>r</sup> in time to come. Not else at present then my thankfull service recommended to you rest from Bohemia ffeb<sup>ry</sup> 8<sup>th</sup> 1681.

Yours to Comānd  
 Augustine Herman

The Clk of the Councill informing his L<sup>dsp</sup> that Augustine Hermans Pattend were not yett drawne, ordered that the same be now drawne according to amendm<sup>t</sup> and the bounds above mentioned.
