Signed p Order
W: Bladen Clk: Assembly

Sent by Major Whittington and Major Hammond.

The house adjournes for an hour, and goe upon a Conference with his Ex^{cy} the Governor and Councill, Where his Ex^{cy} recommends Severall things to their Consideracōn, and delivers unto M^r Speaker Severall Bills sent by the house to that Board, and also certain proposalls of which he desires they will consider.

Thereupon M^r Speaker and the rest of the members repaire to the house where being called.

Ordered that the Clarke read the following proposalls from his Ex^{cy} the Governor and Councill Viz.

That there be a Clause added in the Act for Settling Ann Arundell County Court, nominating Ann Arundell Towne by the name of Annapolis, and that the Parish church be therein built and the County records removed thither.

Resolved by the house such clause shall be incerted.

And the Bill with the amendments is read the second tyme.

That a Clause be added in the additionall Act for the better adm^racōn of Justice for probate of Wills and granting adm^rcōns that when any deceased Estates are appraised two of the principall Cred^{rs} or two of the next of kindred may be present, and upon their refusall two other honest persons.

Resolved the Same be incerted, And the Bill with the amendm^{ts} is read the 2^d tyme.

That in the additionall act to the Act of Religion a Clause be inserted, that the Vestrymen, church Wardens and Clarkes take the Oaths appointed by Act of Parliament, and Subscribe the test. And that particular Oaths be framed for them to take for performance of their Dutys.

Resolved such Clause be incerted.

And the Bill with amendments proposed, was read the second tyme. And in the Act for regulateing Ordinary Keepers &: It be incerted that they shall not creditt any single freeman not being a freeholder, or any Seaman for above 400^{ls} of Tobacco, or 20^s Sterl:

Ordered such clause be incerted.

The af^d Bill with amendm^t proposed is read over the third tyme.

That if money should be sent to New Yorke the house
