

Original Journal. Specious Allurem^{ts} to intice the inhabitants out of this province shall be proceeded against according to the rigour of Law.

W Bladen Cl Assembly.

Tuesday October 15th 1695.

The Council again Sate & were p^rsent as yesterday with the Addition of the hon^{rb}le Coll Henry Jowles

p. 12 The Resolves yesterday read were Assented to by his Ex^{ncy} & Council except such observations taken notice off in the following proposalls this day laid before the house, Viz^t

(1) Proposed that Seeing the house does not agree to Send an Agent for England touching New York business, that they Write to the hon^{rb}le John Povey Esqr: and S^r Thomas Laurence Barron^t to Say what they think fitt in the Matt:

(2) That they write an Answer to the Govern^r and Councils Letters of New York and th^t a member of the house be Sent therewith to Inform them how matters are; his Ex^{ncy} imagining that the Charge will not be very great he having also kept M^r Perry the Post for to wait upon the person th^t shall be Sent.

(3) That his Ex^{ncy} is also willing and ready to lend the Countrey money upon the Same Credit of the 3^d p^hhd: for the gratifying the R^t hon^{rb}le W^m Blathwaite and John Povey Esqr for their Services done for the Countrey.

(4) That the house write an Answer to his Grace the Arch Bishop of Canterbury's Letter and return him thanks for his Patronage of their Schools as also another to the Lord Bishop of London and return him thanks for the Suffragan Bishop and Mission of Ministers he hath promised to send in.

(5) That to the proposall touching his Ex^{ncys} Sickness absence or being a party concern'd in Appeales and Writs of Error to be brought before the Govern^r and Council, the house has made no Answer.

(6) That Some Order pass about taking up of Lots within the port of Annapolis, pursuant to a late Order of Council to that Effect now lying before the house.

(7) That upon Repeal of the Act for Deer, Elke Skins and Raw hides Some Small Duty be put upon the Same, when Exported, to be appropriated to the Vses as by the Act for Exportation of ffurrs & Skins is prescribed.

(8) The Resolve of the house touching John Norwood, this Board doth not think fit shall stand, he having built a house upon Land reserved for Publick builders in opposition to the Act of Assembly of this province.
