should take out but one pmitt in a year, which for that year should be Sufficient and for that pmitt should pay only two shillings and six pence now the said Committee having pused that Act do find indeed that such Ma^r by that Act is only obliged to pay two shill: and six pence p annum to the Officer but do not find that his first pmitt is Sufficient for him for one year, but that he must take out pmitts upon every Sev^rall Voyage or otherwise he is not secure, which being contrary to the design of the House (as this Committee conceives) We represent it as an Agrievance, And further that though the Ma^r be changed, Yett that one and the same pmitt may serve for twelve months if it be the same Vessell.

Upon perusall whereof ordered that the Committee of Laws inspect the Act for Navall Officers ffees and make such provision therein as will answer the Report, and take Care to explain what security shall be given by Ma^{rs} of open Vessells upon taking out their permitts and what ffees the Officers granting them shall have therefore and also impose a penalty upon the Officer exacting more ffees then allowed by the said Act

2. And for the Encouragem^t of all such psons as have built any Shipp or Vessells since the Assembly held at S^t Mary's the 21st of September 1694 within this province, As also for all such persons as shall from hence forward build any Shipp or Vessells within the province af^d shall be free and clear from paying any Duty impost or Custome for any Liquors imported into this province Liquors from pensilvania East & West Jersey only excepted.

The above Report Referred untill to morrow morning at which tyme the Vote upon ffeb^{ry} Journall and the abovesd Act are to be layd before the house for their further Consid^racon.

By the af^d Committee of Agrievances It is considered and humbly prayed that the Committee appointed by the house of Assembly at S^t Mary's in Scept A^o 1694, to audite the Acc^t of M^r Plater and other Receivers of the 4^d p Gall: on Rume &c. may bring in their Report to this house. And that all Treasurers Navall Officers and other Collectors may bring in their Acc^{ts} to this house so that it may be knowne and an Acc^t taken of all sumes that are in any mans hands belonging to the publique.

Upon reading the above Reporte Ordered the publique Treasurers of this province produce their Acc^{ts} to this house on Munday next.
