Sir.

We are informed by a Letter received to Day from Col^o Hooper, that Meister and others of his Stamp have committed a Robbery on M^r Arthur Whitely at his Plantation at Hooper's Streights; the Villains are supposed to have gone with their Plunder to Smith's Island. Col^o Hooper proposes to send a Party of Militia after them; possibly he may want your Assistance to second the Operations of the Militia; if he should make such a Request, we wish you to give your Aid. Meister and his Gang are of the Sett who harbour in Armimessex and have plundered several Vessels as well as committed other Outrages
