In Council Annapolis 20<sup>th</sup> August 1779

Sir.

We want for the use of the State, ten Barr<sup>ls</sup> of fine Flour & forty with only the Bran & Shorts taken out, the first for the Officers, the last for the Men. If you can immediately supply us with that which is good, made of new Wheat, write us your Price and when we may send for it, the sooner the better.

In Council Annapolis 20<sup>th</sup> Aug<sup>t</sup> 1779

Sir.

We this Moment rec<sup>d</sup> your Letter of the 9<sup>th</sup> Inst. Mr Jn<sup>o</sup> Randall was, long ago appointed Sub or State Cloathier under the Resolution of Congress of the 23<sup>d</sup> March last and by a Letter and Return received from him the other Day, we see the Continental Issues have been very deficient. We have no Cloathing on Hand nor any Means to provide it but what are equally open to the Continental Officers, nor is any Money appropriated or System adopted by this State for the Purchase of any. We believe our Assembly expected, as we did, that effectual Measures had long ago been taken to procure a plentiful Supply
