

118 *Assembly Proceedings, Mar. 10, 1697/8-Apr. 4, 1698.*

Original House Adjourned till 7 Clock to Morrow Morning to Mr
Journal. Speakers Chamber.

Tuesday March the 29th 1698.

The House mett, and called over.

Then read over what was done Yesterday.

Then came the Hon^{ble} George Robotham and James Ffrisby Esq. and brought down from the hon^{ble} Council the bills yesterday sent up with Remarques thereon, and the said Bills were amended according to remarques.

They bring down Severall Messages and proposall from the hon^{ble} Council Board.

Col: Robotham acquaints the house that he has it in comānd from his Ex^{cy} the Governour to give them notice of one Captain Willson that lyes in this River who has made it his business to entice the Inhabitants out of this province.

Therefore it is desired that the house make inquiry thereinto.

By his Ex^{cy} the Gov^r and Council March the 28th 1698.

In answer to the Message of the house concerning the Transmitting the Journall of the Comittee of aggrievances hither for inspection of this Board. It is conceived that such grievances as are presented and sent up from the Inhabitants of the Severall Countyes of his Maty^s province ought first and principally to be comunicated unto his Ex^{cy} and his Maty^s hon^{ble} Council and is expected and strictly required that the same be forthwith sent.

Signed by order.

Hen: Denton Clk: Council

In answer whereto, Resolved the following message be sent by his Ex^{cy} and Council ascerting that all grievances from the severall Countyes of his Maty^s province ought first and principally to be Communicated to his Ex^{cy} and Council.

This house do say that the grievances of the Country are communicated to us by our Electors, we have by Bill provided against some and others we have represented by way of address and this house resolves that we are not obliged in duty to lay them before your Ex^{cy} and Council in the way that your Ex^{cy} requires or in any other way then we have already done.
