p. 260

Moved by a member of this house whether it might not be necessary that an address be drawn up to his Ex^{cy} and Council to Informe them of the misapprehension they have of this house as being accessary's or any wayes favouring to Sly or Cood.

Moved by a member of this house whether it might not be necessary to address his Ex^{cy} to nominate what certaine some he will be pleased shall be allowed out of the publick banke towards the defraying the Publick charge.

Resolved that two such addresses be drawn and ordered that M^r Edward Lloyd and M^r Simon Willmore draw up two such addresses.

The house adjournes till one a Clock.

Eod die. The house mett againe and were present as before

The Bill Explaining the clause in the latter part of the act Entitled an Act for secureing Exors and admrs from double paying of Debts and Limitting the time of paym^t of Bonds and obligations within this province being referred from his Maj^{tys} hon^{ble} Council to this house for Amendm^t was read.

Put to the vote if such amendm^t shall be incerted and the act then pass or not. Carried in the affirmative.

A Bill Impowering M^r W^m Coursey and Eliz^a his wife or the Surv^r of them to sell and acknowledge severall tracts of Land left by Coh^o Vincent Lowe by his will to be sold and disposed of referred by his Maty^{ts} hon^{ble} Council for amendm^{ts} to put in their heirs or the Heirs of either of them or their Ex^{rs}

This house cannot consent to the amending of the same, for that the Intent of this act was for to give them no greater Liberty than Coh^o Lowe had given his Ex^{rs} for that it might prove a delay of the Sale of such lands, and by that means retard the payment of his Debts, and debarr the heirs of Coh^o Lowe from their claime.

By his Ex^{cy} the Gov^r and Council Nov^r the 2^d 1698.

Whereas many p^{rs}ons much indebted to the good people of this province die leaving little or no personall Estate wherewithall to satisfy their just debts, yett at the same time die
